

# MONTANA X-TREME™ GUN OIL - WESTERN POWDERS MONTANA X-TREME"! GUN OIL 6OZ CAN

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## Fast, Thorough Cleaning & Protection Of High-Performance Firearms

Lightweight lubricant and rust preventive protects and conditions inside and outside the bore, as well as all other metal surfaces of your gun. Won't dry off in scorching heat or stiffen/gum in subzero conditions. Keeps metal parts slick and reduces friction for long service life. Prevents corrosion and acts as a weather-resistant barrier. Works as a bore conditioner to reduce lead and copper buildup and for new barrel break-in. Excellent oil for general wipe down of firearms. Contains no Teflon™.

# MONTANA XTREME™ GUN OIL Safety Instructions

## Introduction

Welcome to the safety instruction guide for MONTANA XTREME™ GUN OIL. This lightweight lubricant and rust preventive is designed to protect and condition both the inside and outside of your firearm's bore, as well as all other metal surfaces. This guide provides essential safety information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that this product is kept out of reach of children and vulnerable individuals.
- Store the gun oil in a cool, dry place away from direct sunlight and heat sources.
- Always read the label and product information before use.
- Dispose of used gun oil and containers in accordance with local regulations.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not ingest. If swallowed, seek medical attention immediately.
- Use in a wellventilated area to minimize inhalation of vapors.
- Do not mix with other chemicals or products unless specified by the manufacturer.
- Ensure that the product is applied only to the intended surfaces of the firearm.
- Keep the product away from open flames and sources of ignition.

## Instructions for Installation and Usage

- Shake the bottle well before use to ensure even distribution of the oil.
- Apply a small amount of gun oil to a clean cloth or directly onto the metal surface of the firearm.
- Wipe down all metal surfaces, including the bore, to ensure complete coverage.
- For bore conditioning, apply the oil directly into the bore and allow it to sit for a few minutes before wiping out excess.
- For new barrel breakin, follow the specific instructions provided by the firearm manufacturer.
- After application, store the firearm in a safe and secure location.

## Disposal Instructions

- Dispose of any unused or expired gun oil in accordance with local hazardous waste disposal regulations.
- Do not pour the product down the drain or throw it in regular household waste.
- Use designated collection points for hazardous materials if available in your area.

## Contact Information for Further Support

For any safety inquiries regarding MONTANA XTREME™ GUN OIL, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the safe and effective use of MONTANA XTREME™ GUN OIL while protecting yourself and others. Thank you for choosing our product.
