

# **MONTANA X-TREME™ BORE CONDITIONER - WESTERN POWDERS MONTANA X-TREME"! BORE CONDITIONER 6OZ CAN**

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

## **Fast, Thorough Cleaning & Protection Of High-Performance Firearms**

Ultra-thin, highly refined, low residue oil helps maintain consistent accuracy in today's precision-made, match grade barrels. Use after cleaning the bore to condition and protect the metal. Processed to eliminate the factors that cause oil to gum and congeal. Contains no PTFE, silicones, or synthetics that can leave behind accuracy-robbing residue.

# MONTANA XTREME™ BORE CONDITIONER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing MONTANA XTREME™ BORE CONDITIONER by WESTERN POWDERS. This product is designed to help maintain the accuracy of your precisionmade, match grade barrels. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always store the product out of reach of children and pets.
- Use the product only as directed. Misuse may lead to safety hazards.
- Do not ingest the product. It is not for consumption.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Ensure adequate ventilation when using the product to avoid inhalation of vapors.
- Dispose of the product responsibly and in accordance with local regulations.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use near open flames or heat sources, as the product is flammable.
- Avoid prolonged exposure to the product. Use gloves if necessary.
- Ensure that the area is wellventilated during application.
- Keep away from oxidizing agents, as they may react with the product.
- If you experience dizziness, headaches, or any adverse reactions, discontinue use immediately and seek medical attention.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the bore is clean before applying the conditioner.
- Shake the bottle gently before use to mix the contents.

### 2. Application:

- Apply a small amount of MONTANA XTREME™ BORE CONDITIONER to a clean patch or cloth.
- Insert the patch into the bore and run it through the barrel several times.
- Allow the conditioner to sit for a few minutes to effectively condition the metal.

### 3. PostApplication:

- Wipe away any excess product with a clean, dry cloth.
- Store the product in a cool, dry place, away from direct sunlight.

## Disposal Instructions

- Dispose of any unused product and its container in accordance with local waste disposal regulations.
- Do not pour the product down drains or into water sources.
- Check local guidelines for hazardous waste disposal if necessary.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy using MONTANA XTREME™ BORE CONDITIONER for optimal performance of your firearms.
