

# RUGER® 10/22® SB-X BARRELS - TACTICAL SOLUTIONS, LLC SB-X BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

## Get The Benefits Of A Short Barrel Without The Paperwork

The SB-X barrel provides the versatility of a short barreled rifle (SBR) without the burden of red tape paperwork. The SB-X barrel allows the addition of a suppressor without drastically increasing the overall length of your firearm. The barrel length of 12.25" would be considered an SBR if not for the shroud which brings the overall length to 16.5". This barrel avoids cumbersome paperwork and provides a shorter, light-weight solution for those who love shooting suppressed. With the standard threaded end, attaching a suppressor is easier than tying your shoe. Includes Tactical Solutions inert suppressor.

## Attributes

- Name: [TACTICAL SOLUTIONS, LLC SB-X BARREL](#)
- Manufacturer: [TACTICAL SOLUTIONS, LLC](#)
- Product no.: 100005210

# Safety Instruction Guide for RUGER® 10/22® SBX BARRELS

## Introduction

Thank you for choosing the RUGER® 10/22® SBX Barrel from Tactical Solutions, LLC. This guide provides essential safety instructions to ensure the safe and effective use of your firearm accessory. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Be aware of your surroundings and the target area.
- Ensure the barrel is clear of obstructions before use.
- Use only the recommended ammunition specified for your firearm.
- Store the barrel and firearm securely, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Only use the SBX barrel with the RUGER® 10/22® platform.
- Ensure the suppressor is properly attached before use.
- Do not exceed the maximum allowable barrel length of 16.5 inches when using the shroud.
- Do not attempt to modify the barrel or suppressor in any way.
- Regularly inspect the barrel for signs of wear or damage.
- Use protective eyewear and hearing protection while shooting.
- Avoid using the barrel in wet or humid conditions to prevent corrosion.

## Instructions for Installation and Usage

### 1. Installation of the SBX Barrel

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your RUGER® 10/22®.
- Align the SBX barrel with the receiver and ensure it is securely fitted.
- Tighten any necessary screws or fasteners to secure the barrel in place.
- Attach the suppressor to the threaded end of the barrel.
- Confirm that the suppressor is properly seated and secure.

### 2. Usage Guidelines

- Always check the barrel and suppressor for obstructions before each use.
- Load the firearm with the appropriate ammunition.
- Follow standard shooting practices and safety protocols.
- After use, clean the barrel according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the barrel and any associated components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the RUGER® 10/22® SBX Barrel, please consult your local dealer or the manufacturer directly. Ensure you have the product details and any relevant information ready when seeking support.

## Conclusion

Your safety and satisfaction are our top priorities. By following the guidelines outlined in this manual, you can enjoy the benefits of your RUGER® 10/22® SBX Barrel while ensuring safe operation. Thank you for your attention to these important safety instructions.
