

M14/M1A TACTICAL SCOPE MOUNT - STEEL M14/M1A TACTICAL MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Maximum Support, Superior Strength-To-Weight Ratio

Helps keep the weight down when adding heavy tactical optics to your M14/M1A. Three-point design clamps down solidly, without alteration, to the side receiver ring, charger guide dovetail and receiver mount lug. Precision-cut rail includes 5° angle milled on the underside for easy case ejection without hang-ups; accepts Picatinny and Weaver-style rings. Open sight channel gives unobstructed view of back-up iron sights. Standard model is available in three strength-to-weight combinations. Steel model is fully machined from stress-relieved 4142 chrome-moly steel barstock, hardened to Rc 28-32 for maximum strength. Aluminum model is machined from 7075 bar stock aluminum and hardcoat anodized matte black for durability. Airborne model features a lightweight skeletonized frame with seven, 3/8" diameter CNC machined lightening holes in the top of the rail for reduced weight without sacrificing strength. Machined from chrome-moly steel bar stock and heat-treated to Rc 50 for superior strength. Mil-Spec Parkerized finish resists abrasion and corrosion. Adopted by the 101st Airborne.

Attributes

- Name: [STEEL M14/M1A TACTICAL MOUNT](#)

M14/M1A Tactical Scope Mount Safety Instructions

Introduction

Thank you for choosing the M14/M1A Tactical Scope Mount. This product is designed to enhance your shooting experience by providing a stable platform for mounting tactical optics. To ensure your safety and the optimal performance of this product, please read and follow all safety instructions carefully.

General Safety Guidelines

- Ensure that all safety precautions are followed during the installation and use of this product.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Regularly inspect the scope mount for signs of wear or damage before each use.
- Store the scope mount in a cool, dry place when not in use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Installation Safety:**

- Always use the provided mounting hardware and tools for installation.
- Ensure the firearm is unloaded before beginning installation.
- Avoid overtightening screws to prevent damage to the mount or firearm.

- **Usage Safety:**

- Always check that the scope is securely mounted before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not exceed the manufacturer's recommended weight limit for optics mounted on the scope mount.

- **Age Restrictions:**

- This product is intended for use by adults. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including Allen wrenches and mounting hardware included with the product.
- Ensure the firearm is unloaded and in a safe position.

2. Installation Steps:

- Align the scope mount with the side receiver ring, charger guide dovetail, and receiver mount lug.
- Secure the mount using the provided screws.
- Tighten screws evenly to ensure a secure fit, but do not overtighten.

3. Mounting the Scope:

- Attach your chosen Picatinny or Weaverstyle rings to the rail.

- Place your tactical optic into the rings and secure it according to the manufacturer's instructions.

4. Final Check:

- Doublecheck all connections and ensure the scope is stable before using the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding steel and aluminum waste.
- Do not dispose of in household waste. Instead, take it to a designated recycling facility.
