## Secure, Space-Saving Carry Of Backup Magazines

Durable, Cordura® nylon competition pouches hold spare magazines exactly where you need them, so you can get reloaded and back in action fast. Positions the mags at a 90° angle to the body, rather than flat against it, to maximize belt real estate. Single Stack accepts single-stack magazines for the SIG P220, 1911 Auto, and similar pistols. Double Stack accepts magazines for Beretta, Glock, Ruger SR9®/SR40™, SIG, Smith & Wesson M&P, Springfield XD/XDM, and similar double-stack pistols chambered in 9mm, .40 S&W, and .357 SIG. The flap may be detached to enable even quicker access to a fresh mag. Overbuilt with reinforced stitching at edges, internal support to help index magazine, and 2"-wide hook-and-loop fasteners for a superior mag retention. Mounts on belts up to 1¾" wide or MOLLE-compatible gear.

## **Introduction**

Thank you for choosing the "INLINE" MAGAZINE POUCH TUFF 8INLINE MAG POUCH, SINGLE. This product is designed to securely hold spare magazines for various types of firearms, ensuring quick access during use. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## **General Safety Guidelines**

- Always handle the magazine pouch with care and keep it out of reach of children.
- Ensure that the pouch is used only with compatible magazines as specified in the product description.
- Regularly inspect the pouch for signs of wear or damage, and discontinue use if any issues are found.
- Avoid exposing the pouch to extreme temperatures or harsh chemicals that may compromise its integrity.
- If using the pouch in conjunction with firearms, ensure that all safety protocols for firearm handling are followed.

## **Specific Safety Precautions for Use**

- When attaching the pouch to your belt or MOLLEcompatible gear, ensure that it is securely fastened to prevent accidental detachment.
- Always check that the magazines are properly seated in the pouch before use.
- Do not overload the pouch beyond its specified capacity, as this may lead to malfunction or damage.
- If detaching the flap for quicker access, ensure that it is reattached securely after use to maintain magazine retention.
- Be aware of your surroundings and ensure that the pouch does not obstruct movement or become a hazard to yourself or others.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Select a belt that is up to 1<sup>3</sup>/<sub>4</sub>" wide or MOLLEcompatible gear for attachment.
- Slide the pouch onto the belt or attach it to the MOLLE webbing, ensuring it is positioned comfortably for quick access.
- Adjust the position as necessary to ensure ease of use while maintaining security.

### **2. Usage:**

- Load the pouch with the appropriate magazines for your firearm, ensuring compatibility (singlestack or doublestack).
- If using the flap, ensure it is securely fastened when not in use to prevent accidental opening.
- For quick access, detach the flap carefully and retrieve the magazine as needed.
- After use, replace the magazine into the pouch and secure the flap if applicable.

## **Disposal Instructions**

- Dispose of the magazine pouch in accordance with local regulations for fabric and synthetic materials.
- If the pouch is damaged beyond repair, consider recycling options where available.

- Do not burn the pouch, as it may release harmful substances.

## **Contact Information for Further Support**
