

# AR-15/M16 EZ CARBINE SLING MOUNT - DANIEL DEFENSE EZ CARBINE SLING MOUNT W/SWIVEL

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Clamp-On Ambidextrous Sling Mount Installs In Seconds On Any Adjustable Stock Carbine

The Daniel Defense EZ Carbine Mount attaches quickly to any AR15/M4 with a collapsible buttstock and Mil-Spec Receiver Extension (Buffer Tube). It is CNC machined from 6061 T6 Aluminum and has a durable Type III Mil-Spec Hard Coat Anodized finish. Heavy duty push button QD swivel attachment allows for ambidextrous functionality as the QD swivel can be swapped from the left attachment point to right with the push of a button and rotation is limited to ensure the sling does not become twisted or tangled. Perfect for Law Enforcement Agencies and Military Units who must comply with restrictions on the modification of issued weapons or any user who wants a simple yet durable way to add ambidextrous QD attachment point to their rifle. New updated one-piece design allows for quick and easy installation. The user simply slides off the buttstock, slides on the EZ Carbine Sling mount and tightens it securely with a common allen wrench. Lightweight, the EZ Carbine Sling Mount now weighs less than 1 ounce and is more aesthetically pleasing than before. 6061-T6 Aluminum Type III Hard Coat Black Anodizing Ambidextrous functionality Made in the USA

# Safety Instruction Guide for AR15/M16 EZ Carbine Sling Mount

## Introduction

Thank you for choosing the Daniel Defense EZ Carbine Sling Mount. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this guide carefully before use to avoid any potential hazards.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the instructions provided.
- Regularly inspect the sling mount for signs of wear or damage before each use. Do not use if damaged.
- Keep the sling mount out of reach of children and vulnerable groups to prevent unintended use.
- Always follow local laws and regulations regarding the use of firearm accessories.
- In case of an emergency or if you suspect the product is unsafe, cease use immediately and report it to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The sling mount is designed for use with AR15/M4 rifles. Using it with incompatible firearms may result in failure or injury.
  - Improper installation may lead to the sling mount detaching during use, which could cause loss of control of the firearm.
- **Avoiding Hazards:**
  - Always ensure that the firearm is unloaded before installing or adjusting the sling mount.
  - Do not exceed the manufacturer's weight limit for the sling and attachments.
  - Ensure that the sling is properly secured to prevent tangling or twisting during use.
- **Age Specific Warnings:**
  - This product is intended for adult users only. Keep it out of reach of children.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather a common allen wrench for installation.

#### 2. Removing the Buttstock:

- Slide off the existing buttstock from the receiver extension (buffer tube).

#### 3. Attaching the EZ Carbine Sling Mount:

- Slide the EZ Carbine Sling Mount onto the receiver extension.

- Ensure it is positioned correctly and securely.

#### **4. Securing the Sling Mount:**

- Tighten the sling mount securely using the allen wrench.
- Confirm that it does not move or wobble when installed.

#### **5. Reinstalling the Buttstock:**

- Slide the buttstock back onto the receiver extension, ensuring it is securely attached.

### **Usage**

- Attach your sling to the QD swivel on the sling mount.
- The QD swivel can be rotated to the left or right as needed. Ensure it clicks into place.
- Regularly check the attachment to confirm it remains secure during use.

### **Disposal Instructions**

- Dispose of the sling mount in accordance with local regulations for aluminum materials.
- Do not dispose of in regular household waste if it is damaged or deemed unsafe.
- Contact your local waste management authority for proper disposal methods.

### **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product issues, please consult the manufacturer's website or contact their customer support. Ensure that you have the product details ready for assistance.

Thank you for your attention to safety and for choosing the Daniel Defense EZ Carbine Sling Mount.
