

RUGER 10/22 TSR200 GI-STYLE SIGHT SET - TECH SIGHTS RUGER 10/22 APERTURE TSR200 GI-STYLE SIGHT SET BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Replacement sight sets give your 10/22® a longer sight radius for improved accuracy potential, plus the same sight picture as an AR-15/M16 with military-issue sights. Installation requires no gunsmithing, no drilling/tapping, and no permanent alterations to the rifle. Rear sight mounts using the factory-provided holes for a scope base. All-steel front sight assembly has a standard detent-locking M16 post surrounded by protective ears that guard it from damage and misalignment. User may substitute any aftermarket post that replaces the standard A2. For even greater precision, the TSR200 set's rear sight has a single aperture that uses a rotating dial for fine adjustments in elevation; click adjustable for windage.

RUGER 10/22 TSR200 GISTYLE SIGHT SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the RUGER 10/22 TSR200 GISTYLE Sight Set. This product is designed to enhance the accuracy of your RUGER 10/22 rifle while ensuring safety during use. This guide provides essential safety instructions and information to help you use this sight set effectively and responsibly.

General Safety Guidelines

- Ensure that the firearm is unloaded before installation or adjustment of the sight set.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the sight set and all firearms out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage. Do not use if any components are compromised.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the sight set, ensure that you are in a safe and controlled environment.
- Always wear appropriate eye protection when shooting.
- Be aware of your surroundings and ensure that your shooting area is clear of people and obstacles.
- Do not modify the sight set or your firearm in a way that could compromise safety.
- If you are unfamiliar with the installation or use of firearm accessories, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and the provided mounting screws.
2. **Prepare the Rifle:** Make sure your RUGER 10/22 is unloaded and pointed in a safe direction.
3. **Remove Existing Sights:** If applicable, carefully remove the existing rear sight from the rifle.
4. **Mount the Rear Sight:**
 - Align the rear sight with the factoryprovided holes for the scope base.
 - Secure the rear sight using the provided mounting screws. Ensure it is tight but do not overtighten.
5. **Install the Front Sight:**
 - Position the front sight assembly on the barrel, ensuring it is centered.
 - Follow the same procedure as with the rear sight to secure it in place.
6. **Adjust the Sights:**
 - Use the rotating dial on the rear sight for fine adjustments in elevation.
 - Adjust windage using the click adjustments on the rear sight.

Usage Instructions

- After installation, familiarize yourself with the sight picture and adjustments.
- Practice using the sight set in a safe and controlled environment before engaging in any target shooting.
- Regularly check the alignment and security of the sights before use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the sight set becomes damaged beyond repair, dispose of it responsibly. Check with local waste management authorities for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the installation or use of the RUGER 10/22 TSR200 GISTYLE Sight Set, please consult a qualified gunsmith or contact the manufacturer directly for assistance.

Thank you for prioritizing safety while enjoying your shooting experience.
