

M16 5.56 BOLT CARRIER GROUP - SPIKES TACTICAL .223/5.56 BOLT/CARRIER, PHOSPHATE FINISH

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

Matched bolt/carrier set is machined to mil-spec dimensions using the latest manufacturing and quality-control techniques to deliver superb reliability in both semi-auto and select-fire rifles. Carrier is hard-chromed inside and has an M16-type full-length shroud on the underside to trip the auto sear on full-auto/burst rifles. Bolt is magnetic particle inspected to ensure there are no internal flaws to compromise structural integrity and cause premature failure. Fully staked carrier key and tool steel extractor further aid reliable cycling. Laser-engraved Spike's Tactical logo on the side of the carrier is visible when the ejection port door is open. .223/5.56 fits standard AR-15/M16/M4 rifles and is available with standard MIL-STD-171 5.3.1.2 phosphate finish.

Safety Instruction Guide for M16 5.56 Bolt Carrier Group

Introduction

Thank you for choosing the M16 5.56 Bolt Carrier Group from Spikes Tactical. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of this product. Please read this document carefully to ensure safe and effective operation.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearms in your area before using this product.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, out of reach of unauthorized users, especially children.
- Regularly inspect the bolt carrier group for wear or damage before use.
- Use only compatible ammunition as specified in the product description.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use may lead to malfunctions or accidents.
 - Ensure that the bolt carrier group is properly installed before use.
 - Be aware of possible ejection of spent cartridges during operation.
- **Avoiding Hazards:**
 - Always follow the manufacturer's instructions for installation and usage.
 - Do not attempt to modify or alter the bolt carrier group in any way.
 - Ensure that the firearm is in a safe condition before cleaning or performing maintenance.
 - Wear appropriate eye and ear protection when operating firearms.
- **AgeSpecific Warnings:**
 - This product is intended for use by individuals aged 18 years and older.
 - Ensure that minors are supervised by a responsible adult when in the vicinity of firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the firearm is unloaded and pointed in a safe direction.
 2. Remove the existing bolt carrier group from the firearm.
 3. Carefully insert the M16 5.56 Bolt Carrier Group into the receiver, ensuring proper alignment.
 4. Secure the bolt carrier group in place according to the manufacturer's specifications.
 5. Perform a function check to ensure proper installation.
- **Usage:**
 - Load the firearm with compatible ammunition.

- Operate the firearm according to standard safety practices.
- Monitor the firearm for any signs of malfunction during use.
- After use, ensure the firearm is unloaded and clean the bolt carrier group as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the product in regular household waste.
- Contact local authorities or designated disposal facilities for guidance on proper disposal methods.

Contact Information for Further Support

For more information or assistance regarding the M16 5.56 Bolt Carrier Group, please refer to the manufacturer's official website or contact your local dealer for support.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your M16 5.56 Bolt Carrier Group. Thank you for your attention to safety.
