

# SD-3G SUPER DYNAMIC 3-GUN FLAT TRIGGER FOR AR-15 - GEISSELE AUTOMATICS LLC SD-3G SUPER DYNAMIC 3-GUN FLAT TRIGGER FOR AR-15

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Geissele Super Dynamic 3 Gun (SD-3G) trigger is the flat trigger bow version of the Geissele Super 3 Gun (S3G) trigger. Like the S3G, the SD-3G has a shortened pull length and a lightning-quick reset to give it a unique, hybrid trigger pull that is a cross between a traditional two-stage and single-stage trigger while still retaining the safety and robustness of a two-stage combat trigger. The SD-3G's flat trigger bow further enhances the trigger's performance by reducing the perceived pull weight and improving the trigger's tactile feedback to the operator making it ideally suited for 3 Gun competition shooting. The SD3G trigger has a very short, light pull and reset. Geissele do not recommend it for duty use, bench rest, accuracy work or shooting small groups. It is designed for close course competition use where rapid target engagement with quick follow up shots are required. Please note, Geissele's triggers are designed for mil-spec AR15/M4 carbine rifles. Geissele's AR15 triggers are not compatible with the Sig MPX/MCX weapons or Pistol Caliber Carbine AR15/M4 variants. Using them in these platforms will void the warranty. Please refer to Geissele's Super MCX SSA or Super MPX SSA if you are using these platforms. SPECS Type: Hybrid Rolling Break Total Pull Weight: 3.0 - 4.0 lbs. (Lighter Spring) 4.5 - 5.5 lbs. (Heavier Spring) Adjustable: No Trigger Bow Type: Flat Recommended Use: 3 Gun Competition Pin Size: Mil-spec

## Attributes

- Name: [GEISSELE AUTOMATICS LLC SD-3G SUPER DYNAMIC 3-GUN FLAT TRIGGER FOR AR-15](#)
- Manufacturer: [GEISSELE AUTOMATICS LLC](#)

# SD3G Super Dynamic 3Gun Flat Trigger Safety Instructions

## Introduction

Thank you for choosing the SD3G Super Dynamic 3Gun Flat Trigger for your AR15. This guide provides essential safety instructions to ensure the safe and effective use of your trigger in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure that the trigger is used in accordance with the manufacturer's specifications to avoid any potential hazards.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided for remedy.
- **Online Shopping Safety:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's official contact points.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure the SD3G trigger is used only with milspec AR15/M4 carbine rifles. It is not compatible with Sig MPX/MCX weapons or Pistol Caliber Carbine AR15/M4 variants.
- **Duty Use Warning:** The SD3G trigger is designed for competition use only. It is not recommended for duty use, bench rest, accuracy work, or shooting small groups.
- **Trigger Pull:** Be aware that the trigger has a very short, light pull and reset. Familiarize yourself with its operation before use.
- **Safety Checks:** Always perform a safety check before installation and after any adjustments.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your firearm is unloaded and pointed in a safe direction.
2. Remove the existing trigger from your AR15 following the manufacturer's instructions.
3. Install the SD3G trigger according to the provided installation guide, ensuring all components are securely in place.
4. Conduct a function check to ensure the trigger operates correctly.

### • Usage:

1. Always keep the firearm pointed in a safe direction.
2. Engage the safety mechanism when the firearm is not in use.
3. Use the trigger only in appropriate settings, such as competition shooting.
4. Be aware of your surroundings and ensure that the shooting area is clear of bystanders.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and firearm components.
- Do not dispose of the trigger in regular household waste. Check for recycling programs or hazardous waste facilities in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the SD3G Super Dynamic 3Gun Flat Trigger, please refer to the manufacturer's official website or customer service channels for assistance.

Thank you for prioritizing safety while using your SD3G trigger. Enjoy your shooting experience responsibly!
