# Safety Instruction Guide for AR15/M16 TwoPiece Carbine Length FreeFloat Forend

## Introduction

Thank you for choosing the AR15/M16 TwoPiece Carbine Length FreeFloat Forend by Midwest Industries. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any recalls or safety updates related to this product through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or modifying the forend.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Use protective eyewear when installing the forend to prevent injury from metal shavings or debris.
- Do not attempt to install the forend if you are not familiar with firearm assembly. Seek assistance from a qualified gunsmith if necessary.
- Avoid using excessive force during installation to prevent damage to the firearm or forend.
- Ensure that the forend is securely attached before use to prevent it from becoming loose during operation.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools, including a wrench for removing the delta ring.

#### 2. Remove the Delta Ring:

- Using the appropriate tool, carefully cut off the delta ring from the firearm.

#### 3. Install the Forend:

- Align the forend with the existing OEM barrel nut.
- Slide the forend over the barrel nut without removing the front sight base.
- Ensure that it is positioned correctly and securely.

#### 4. Secure the Forend:

- Tighten any necessary screws or clamps to ensure that the forend is firmly in place.
- Check that the forend does not move or wobble when properly installed.

#### 5. Final Check:

- Inspect the installation to ensure that everything is secure and properly aligned.
- Conduct a function check of the firearm to ensure safe operation.

## **Usage**

- Always handle your firearm responsibly and in accordance with standard safety practices.
- Regularly check the stability of the forend during use, especially after extended firing sessions.
- If you notice any issues with the forend, cease use immediately and inspect for damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding aluminum and firearm accessories.
- Do not dispose of the product in regular household waste. Instead, consider recycling options for aluminum components.

## **Contact Information for Further Support**

For further inquiries or assistance regarding safety concerns, installation, or usage of the AR15/M16 TwoPiece Carbine Length FreeFloat Forend, please refer to the manufacturer's contact information provided with the product.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15/M16 TwoPiece Carbine Length FreeFloat Forend. Thank you for your attention to safety.
