

AR-15 MOE RIFLE STOCK FIXED RIFLE LENGTH - MAGPUL MOE FIXED RIFLE LENGTH STOCK FOR AR-15 BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Drop-In Upgrade For A1/A2 Rifles Or Conversion From A Carbine Stock

Direct replacement for A1- or A2-type stocks brings MOE ergonomics and versatility to your fixed-stock rifle. Sloping comb provides a comfortable, secure cheekweld, while keeping the stock's overall profile slim. Rubberized recoil pad keeps the rifle firmly and comfortably against the shoulder. Hinged buttplate opens to reveal a spacious compartment for internal storage of small items. Integral sling loop accepts a 1¼" sling. Also includes front and rear attachment points on both sides for the Type 1 Sling Mount Kit to enable use of slings with pushbutton QD swivels. Two bosses on underside may be knocked out for attachment of a MOE accessory rail (available separately). Accepts Magpul PRS extended recoil pads.

Safety Instruction Guide for AR15 MOE Rifle Stock

Introduction

Thank you for choosing the AR15 MOE Fixed Rifle Length Stock by Magpul. This guide provides important safety information, installation instructions, and proper usage guidelines to ensure your safety and the optimal performance of your product. Please read this guide carefully before using the stock.

General Safety Guidelines

- Ensure that the rifle is unloaded before installing or handling the stock.
- Always follow local laws and regulations regarding firearm use and modifications.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear before each use.
- Do not use the stock if it is damaged or if any parts are missing.
- Keep the stock clean and free from obstructions to ensure proper function.
- Use appropriate personal protective equipment (PPE) when handling firearms.

Specific Safety Precautions for Use

- Always maintain proper firearm handling practices, including keeping the muzzle pointed in a safe direction.
- Ensure that the stock is securely attached to the rifle before use.
- Avoid using the stock in extreme weather conditions that may affect its performance.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- If using slings, ensure they are properly attached and do not interfere with the operation of the rifle.

Instructions for Installation and Usage

Installation Instructions

1. Prepare the Rifle:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle by loosening the attachment screws.

2. Attach the AR15 MOE Stock:

- Align the stock with the receiver extension tube.
- Slide the stock onto the tube until it is fully seated.
- Secure the stock by tightening the attachment screws to the manufacturer's specifications.

3. Check Installation:

- Ensure the stock is firmly attached and does not wobble.
- Test the hinged buttplate to ensure it opens and closes smoothly.

Usage Instructions

- When using the stock, position the rifle comfortably against your shoulder.
- Adjust your cheek weld to ensure proper sight alignment.
- Utilize the rubberized recoil pad for added comfort during firing.
- Store small items in the internal compartment of the buttplate when not in use.

Disposal Instructions

- When the stock has reached the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the stock in regular household waste if it contains hazardous materials.
- Consider recycling the polymer material if applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 MOE Fixed Rifle Length Stock, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Enjoy your experience with the AR15 MOE Fixed Rifle Length Stock!
