LOADALL II Shotgun Presses Safety Instructions

Introduction

Thank you for choosing the LOADALL II Shotgun Press by Lee Precision. This manual provides essential safety instructions to ensure safe and effective use of your shotgun press. Please read and understand all guidelines before using the product to minimize risks and ensure a safe reloading experience.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines when using the shotgun press.
- Keep the shotgun press out of reach of children and unauthorized users.
- Inspect the shotgun press for any damage or wear before each use. Do not use if damaged.
- Use the shotgun press in a wellventilated area to avoid inhalation of any dust or fumes.
- Wear appropriate personal protective equipment (PPE), including safety glasses and hearing protection.
- Ensure that all tools and components used with the shotgun press are compatible and in good condition.
- Familiarize yourself with the shotgun press and its components before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Be aware of moving parts that can pinch or crush.
- Handle all ammunition components with care to avoid accidental discharge.
- Ensure that the primer catcher is properly positioned to prevent projectiles from escaping.

- **Avoiding Hazards:**

- Do not overload the shotgun press beyond its specifications.
- Avoid distractions while operating the shotgun press.
- Keep hands and other body parts away from moving parts during operation.
- Do not attempt to modify or alter the shotgun press.

- **Age or AudienceSpecific Warnings:**

- This product is intended for use by individuals aged 18 years and older.
- Ensure that inexperienced users are supervised and trained by an experienced individual.

Instructions for Installation and Usage

- **Installation:**

1. Choose a stable, flat surface for the shotgun press.
2. Secure the shotgun press to the work surface using the provided mounting hardware.
3. Ensure that all components are correctly assembled according to the manufacturer's instructions.

- **Usage:**

1. Before starting, ensure that all components and tools are within reach.
2. Load the appropriate shot and powder bushings as provided.
3. Use the builtin primer catcher and ensure it is properly positioned.
4. Recesses at every station allow for speedy shell positioning; ensure shells are correctly placed.
5. Follow the reloading process stepbystep, ensuring safety precautions are adhered to at each

stage.

6. After use, clean the shotgun press to maintain its functionality and longevity.

Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of any hazardous materials in regular trash. Check with local waste management for proper disposal methods.
- Ensure that the shotgun press and its components are disposed of in an environmentally responsible manner.

Contact Information for Further Support

For any questions or concerns regarding the LOADALL II Shotgun Press, please contact the manufacturer's customer service or visit their official website for more information.

By following these safety instructions, you can ensure a safe and enjoyable experience while using the LOADALL II Shotgun Press. Always prioritize safety and adhere to all guidelines for a successful reloading process.
