QUICK CHANGE POWDER FUNNEL KIT Safety Instructions

Introduction

Thank you for choosing the RCBS Quick Change Powder Funnel Kit. This product is designed to enhance your reloading experience by ensuring precise powder flow and compatibility with various case sizes. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Store the kit in a dry and secure location, away from children and pets.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not use the funnel kit for any purpose other than its intended use.
- Always wear appropriate safety gear, such as safety glasses, when handling powders.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use may lead to spills or misloading of powder.
 - Ensure that the funnel fits securely on the case to prevent accidents.
- **Avoiding Hazards:**
 - Always doublecheck that the funnel is securely attached before pouring powder.
 - Avoid overfilling the funnel to prevent spills.
 - Handle powders with care and follow all safety guidelines provided by the powder manufacturer.
- **Age Restrictions:**
 - This product is not intended for use by individuals under the age of 18. Ensure that it is used only by responsible adults.

Instructions for Installation and Usage

1. Setup:

- Select the appropriate adapter for your case size.
- Attach the adapter to the funnel securely.

2. Using the Funnel:

- Position the funnel above the case.
- Pour the powder into the funnel slowly to allow for optimal flow.
- If using the drop tube, ensure it is securely connected and positioned correctly to guide the powder into the case.

3. After Use:

- Remove the funnel and adapter from the case carefully.
- If necessary, use the funnel to return any unused powder back into the original container.

- Clean the funnel and adapters after each use to prevent crosscontamination of powders.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of powders in regular household waste. Follow local guidelines for hazardous waste disposal.
- Recycle any plastic components if possible, following local recycling guidelines.
