

27-45 CALIBER HEAVY DUTY DECAPPING DIE - RCBS .27-45 CALIBER HEAVY DUTY DECAPPING DIE

[Reloading](#) > [Reloading Dies](#) > [Replacement Parts & Upgrades](#)

Decapping dies are used to remove spent primers from fired cases prior to cleaning. We carry a selection of decapping dies from Sinclair, Redding, RCBS and Lee. All these dies will decap standard cases from 27 to 45 caliber. Heavy Duty Die is designed for use on Military primer crimped cases larger than .27 caliber.

Safety Instruction Guide for 2745 Caliber Heavy Duty Decapping Die RCBS

Introduction

Thank you for choosing the 2745 Caliber Heavy Duty Decapping Die by RCBS. This product is designed to efficiently remove spent primers from fired cases, ensuring a smooth reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the decapping die.

General Safety Guidelines

- **Product Safety:** Ensure that you follow all safety instructions to minimize risks associated with the use of this product.
- **Enhanced Recalls:** Stay informed about product recalls or safety alerts by checking the EU Safety Gate platform regularly.
- **Online Shopping Protections:** If purchased online, ensure that the retailer complies with safety regulations similar to physical stores.
- **Vulnerable Groups:** Keep this product out of reach of children and individuals who may not understand its use.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for prompt updates on any unsafe products.

Specific Safety Precautions for Use

- Always wear safety goggles to protect your eyes from debris when using the decapping die.
- Use the decapping die in a wellventilated area to avoid inhaling any dust or particles.
- Ensure that the work surface is stable and secure to prevent accidents.
- Do not use the decapping die for any purpose other than its intended use.
- Keep hands and other body parts clear of the die during operation to avoid injury.
- Inspect the die for any signs of wear or damage before each use. Do not use if damaged.
- Store the decapping die in a safe place, away from children and pets.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the decapping die into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

2. Usage:

- Place a fired case into the shell holder of the reloading press.
- Operate the press handle to raise the case into the decapping die.
- The decapping pin will remove the spent primer from the case.
- After decapping, check the case for any remaining debris and clean if necessary.
- Repeat the process for each case until all are decapped.

Disposal Instructions

- Dispose of spent primers and any debris in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Check with local waste management for proper disposal.

disposal methods.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the 2745 Caliber Heavy Duty Decapping Die by RCBS, please refer to your retailer or the designated EU contact point for assistance.

Thank you for prioritizing safety while using the decapping die. Proper handling and adherence to these guidelines will ensure a safe and efficient reloading experience.
