

TNT 30 CALIBER (0.308") HOLLOW POINT BULLETS - SPEER 30 CALIBER (0.308") 125GR HOLLOW POINT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

These varmint-specific bullets feature a thin jacket of precisely gauged thickness, internal fluting and a dead-soft lead core for ultimate bullet expansion. The long ogive and small hollowpoint provide for remarkable accuracy over long distances. Some calibers available in money-saving Value Packs for high-volume shooters.

Safety Instruction Guide for TNT 30 Caliber (0.308") Hollow Point Bullets

Introduction

Thank you for choosing the TNT 30 Caliber (0.308") Hollow Point Bullets by Speer. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you are legally allowed to purchase and use ammunition in your country and region.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect ammunition for any signs of damage or defects before use.
- Follow all applicable local, national, and international laws regarding ammunition storage and usage.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Always handle ammunition with care and respect.
- Wear appropriate eye and ear protection when shooting.
- Ensure that your firearm is compatible with 30 Caliber (0.308") ammunition.
- Do not exceed the manufacturer's recommended load specifications.
- Use the ammunition only for its intended purpose; do not modify or reload.
- Do not use damaged or corroded ammunition.
- Always keep the firearm pointed in a safe direction when loading or unloading.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation for Use:

- Verify that your firearm is unloaded and pointed in a safe direction.
- Ensure you have the appropriate protective gear (safety glasses, hearing protection).

2. Loading the Firearm:

- Open the action of the firearm and insert the TNT 30 Caliber (0.308") Hollow Point Bullet into the magazine or chamber as per the firearm manufacturer's instructions.
- Ensure the bullet is seated properly and securely.

3. Firing the Ammunition:

- Confirm the target area is clear and safe.
- Load the firearm and prepare to fire.
- Pull the trigger smoothly to discharge the bullet.

4. PostFiring:

- After firing, keep the firearm pointed in a safe direction and unload it immediately.
- Inspect the firearm and ammunition for any issues.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in the regular trash.
- Contact local waste management authorities for proper disposal methods.
- Ensure that all spent casings are collected and disposed of safely.

Contact Information for Further Support

For any safety inquiries or additional support regarding the TNT 30 Caliber (0.308") Hollow Point Bullets, please refer to the appropriate channels in your country. Ensure to provide details of your query for a prompt response.

By following these safety instructions, you can ensure a safe and enjoyable experience with TNT 30 Caliber (0.308") Hollow Point Bullets. Always prioritize safety and adhere to local laws and regulations.
