

TNT 270 CALIBER (0.277") HOLLOW POINT BULLETS - SPEER 270 CALIBER (0.277") 90GR HOLLOW POINT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

These varmint-specific bullets feature a thin jacket of precisely gauged thickness, internal fluting and a dead-soft lead core for ultimate bullet expansion. The long ogive and small hollowpoint provide for remarkable accuracy over long distances. Some calibers available in money-saving Value Packs for high-volume shooters.

TNT 270 Caliber (0.277") Hollow Point Bullets

Safety Instruction Guide

Introduction

Welcome to the safety instruction guide for the TNT 270 Caliber (0.277") Hollow Point Bullets. This guide provides essential safety information to ensure the safe handling and usage of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all users of this product are trained in safe handling and use of ammunition.
- Store ammunition in a cool, dry place, away from children and unauthorized individuals.
- Always keep ammunition in its original packaging until ready for use.
- Regularly check for any signs of damage to the product packaging or bullets.
- Dispose of any damaged or outdated ammunition properly.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always handle ammunition with care. Treat every bullet as if it is live.
- Use only in firearms that are specifically designed for 270 Caliber (0.277") ammunition.
- Follow all manufacturer instructions for the firearm being used.
- Never mix different types or brands of ammunition.
- Wear appropriate eye and ear protection when using firearms.
- Keep the firearm pointed in a safe direction at all times.
- Do not use ammunition that appears to be damaged or defective.
- Ensure the firearm is in good working condition before use.

Instructions for Installation and Usage

- Before loading the firearm, ensure it is pointed in a safe direction and the safety is engaged.
- Open the ammunition box and inspect the bullets for any visible damage.
- Load the bullets into the magazine or chamber of the firearm according to the manufacturer's instructions.
- Once loaded, disengage the safety and prepare to fire.
- After use, unload the firearm in a safe area and store the bullets in their original packaging.

Disposal Instructions

- Dispose of unused or outdated ammunition at a designated hazardous waste facility.
- Do not throw away ammunition in regular trash.
- Follow local regulations regarding the disposal of ammunition and hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the TNT 270 Caliber (0.277") Hollow Point Bullets, please consult the manufacturer's website or contact your local dealer for assistance. Always ensure that you have the latest safety information and product updates.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your TNT 270 Caliber (0.277") Hollow Point Bullets. Thank you for your attention to safety.
