

# **HOT-COR 35 CALIBER (0.358") SPITZER BULLETS - SPEER 35 CALIBER (0.358") 250GR SPITZER 50/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Hot-Cor rifle bullets are made by pouring the molten lead core directly into the pre-formed jacket. This process eliminates harmful voids in the core that can result in unreliability, thus creating a bullet with highly consistent performance - and superb accuracy potential.

## **Attributes**

# Safety Instruction Guide for HOTCOR 35 CALIBER (0.358") SPITZER BULLETS

## Introduction

Thank you for choosing HOTCOR 35 CALIBER (0.358") SPITZER BULLETS. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

## General Safety Guidelines

- Always handle bullets with care to avoid accidental discharge or injury.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Ensure that all safety equipment (e.g., eye protection, hearing protection) is used when handling and using bullets.
- Be aware of local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Use only in firearms that are specifically designed for 35 caliber ammunition.
- Ensure that the firearm is in good working order and properly maintained.
- Always check the barrel for obstructions before loading.
- Do not exceed the recommended load specifications for your firearm.
- Never point a firearm at anything you do not intend to shoot.
- Always treat every firearm as if it is loaded.
- Use appropriate ear and eye protection when shooting.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action and visually inspect the chamber to confirm it is empty.
- Insert the HOTCOR bullets into the magazine according to the manufacturer's instructions.
- Close the action of the firearm securely.

### 2. Firing the Bullets:

- Position yourself in a stable shooting stance.
- Aim at the intended target and ensure the area is clear of people and obstacles.
- Engage the safety mechanism on the firearm until ready to shoot.
- When ready, disengage the safety and pull the trigger smoothly.

### 3. PostFiring Procedures:

- After firing, keep the firearm pointed downrange until you are ready to unload.
- Open the action and remove any remaining bullets from the chamber and magazine.
- Inspect the firearm for any signs of malfunction or damage.

## **Disposal Instructions**

- Dispose of spent cartridges and bullets in accordance with local regulations.
- Do not throw bullets in regular trash; check for local hazardous waste disposal options.
- If you have any unused or expired bullets, contact local authorities for safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the HOTCOR 35 CALIBER (0.358") SPITZER BULLETS, please reach out to the designated EU contact point as required by the EU GPSR.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your HOTCOR 35 CALIBER (0.358") SPITZER BULLETS. Always prioritize safety and be aware of your surroundings when using this product. Thank you for your attention to these important guidelines.
