

SHIFT™ INTERCHANGEABLE LENS SHOOTING GLASSES - RADIANS

MULTIPLE LENS SHIFT INTERCHANGEABLE LENS GLASSES BLACK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

Quick-Change Lenses Helps You Adapt To Any Lighting Conditions

Polycarbonate glasses protect your eyes and offer five interchangeable lenses with different color tints to help you see targets better under all light conditions. The attractive frame of lightweight polymer has a soft rubber nosepiece and ear tips to help the glasses rest comfortably on your face for all-day wear. See targets clearly indoors or outdoors, dawn to dark, through the five, interchangeable one-piece lenses: Green Mirror (best for bright sunlight), Copper (medium sunlight), Amber (low light), Clear (indoors/night), and an Orange lens that helps you see orange targets without eye strain. Lenses meet ANSI Z87.1+ impact standard and provide 99.9% UV-A/UV-B protection. Comes with foam-lined zippered case and includes replacement nosepiece, neck lanyard, and cleaning cloth.

SHIFT™ Interchangeable Lens Shooting Glasses

Safety Instructions

Introduction

Thank you for choosing the SHIFT™ Interchangeable Lens Shooting Glasses by RADIANS. These glasses are designed to provide optimal eye protection while enhancing your visibility in various lighting conditions. This guide outlines essential safety information to ensure safe usage and maintenance of your shooting glasses in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Always use the glasses as intended to ensure safe operation. The glasses are designed for shooting activities and should not be used for any other purpose.
- **Enhanced Recalls:** In the event of a product recall, follow the instructions provided for returning or exchanging the product. Stay informed about any recalls through official channels.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety standards and offers the same protections as physical stores.
- **Special Consumer Focus:** These glasses are not intended for children. Ensure that they are used only by individuals who meet the minimum age requirement for shooting sports.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay updated on product safety alerts by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear the glasses when engaging in shooting activities to protect your eyes from debris and harmful UV rays.
- **Lens Care:** Inspect the lenses for scratches or damage before use. Do not use damaged lenses as they may compromise your vision and safety.
- **Interchangeable Lenses:** Ensure that the lenses are securely attached before use. Follow the instructions for changing lenses to avoid injury.
- **Comfort Fit:** Adjust the nosepiece and ear tips for a comfortable fit. An improper fit may lead to distraction or discomfort while shooting.
- **Environmental Awareness:** Be mindful of your surroundings when using the glasses outdoors. Ensure that the area is safe and suitable for shooting activities.

Instructions for Installation and Usage

1. Initial Setup:

- Remove the glasses from the packaging.
- Inspect the glasses and lenses for any visible defects.

2. Changing Lenses:

- Hold the frame firmly and gently press the lens release tabs on both sides of the frame.
- Carefully remove the current lens from the frame.
- Align the new lens with the frame and press until it clicks into place.
- Ensure the lens is secure before proceeding.

3. Wearing the Glasses:

- Position the glasses on your face, ensuring that they sit comfortably on your nose and ears.
- Adjust the nosepiece and ear tips as needed for a snug fit.
- Always ensure that the lenses are clean and free from obstructions before use.

4. Maintenance:

- Clean the lenses with the provided cleaning cloth to avoid scratches.
- Store the glasses in the foam-lined zippered case when not in use to protect them from damage.

Disposal Instructions

- Dispose of the glasses responsibly when they are no longer usable. Follow local regulations for the disposal of plastic and other materials.
- Do not dispose of the glasses in regular household waste, as they may not be biodegradable.

Contact Information for Further Support

For any questions or concerns regarding the SHIFT™ Interchangeable Lens Shooting Glasses, please refer to the retailer or manufacturer's contact information provided at the point of purchase.

Thank you for prioritizing safety while enjoying your shooting activities with the SHIFT™ glasses. Your attention to these guidelines helps ensure a safe and enjoyable experience.
