

TACTICAL ADVANTAGE BRUSHLESS BORE CLEANER - SHARP SHOOT R 8OZ TACTICAL ADVANTAGE BORE CLEANER

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

Wipe-Out TACTICAL ADVANTAGE is to be used as a conventional non-aerosol for special use with firearms that are used in tactical applications. TACTICAL ADVANTAGE is an answer to specific problems, where the shooter has a need for a very carbon aggressive bore cleaner that will also remove copper fouling and powder fouling with minimum effort. TACTICAL ADVANTAGE, like other Wipe-Out products, is 100% brushless. Can be mixed with water on a 50/50 ratio and sprayed on bolt carriers and bolts will dissolve carbon on contact. Considerably less messy and is totally odorless. Designed to be a maximum strength product, capable of dissolving more fouling faster than any product currently on the market.

TACTICAL ADVANTAGE BRUSHLESS BORE CLEANER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TACTICAL ADVANTAGE BRUSHLESS BORE CLEANER by SHARP SHOOT R. This product is designed to provide effective cleaning for firearms used in tactical applications. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Always use the product in a wellventilated area to avoid inhalation of vapors.
- Do not mix with other cleaning agents unless specified.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Regularly check for any product recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear protective gloves and safety goggles while using the product to prevent skin and eye irritation.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Use only as directed. Misuse of the product may lead to hazardous situations.
- Ensure that the area is free of ignition sources when using the product, as it may be flammable.

Instructions for Installation and Usage

1. Preparation:

- Shake the bottle well before use.
- Ensure the firearm is unloaded and in a safe condition before cleaning.

2. Application:

- Mix the TACTICAL ADVANTAGE BRUSHLESS BORE CLEANER with water in a 50/50 ratio if desired.
- Using a spray bottle, apply the cleaner directly to the bore and affected areas.

3. Cleaning:

- Allow the product to sit for a few minutes to dissolve fouling.
- Wipe the area with a clean cloth or patch to remove dissolved fouling.
- Repeat as necessary until the bore is clean.

4. PostCleaning:

- Dispose of used cloths and patches according to local regulations.
- Store the product safely and securely after use.

Disposal Instructions

- Dispose of the product and its container in accordance with local regulations.

- Do not pour unused product down the drain or into the environment.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the TACTICAL ADVANTAGE BRUSHLESS BORE CLEANER, please refer to the information provided on the product packaging or contact the manufacturer directly.

By following these safety instructions, you can ensure the safe and effective use of the TACTICAL ADVANTAGE BRUSHLESS BORE CLEANER. Thank you for your attention to safety and for choosing SHARP SHOOT R products.
