# Safety Instruction Guide for AR15/M16 Pistol Buffer Tube Foam Cover

## Introduction

Thank you for purchasing the AR15/M16 Pistol Buffer Tube Foam Cover by Phase 5 Tactical. This product is designed to provide enhanced comfort and protection for your ARstyle pistol buffer tube assembly. Please read this safety instruction guide carefully to ensure safe and proper use of this product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the foam cover out of reach of children and pets to prevent accidental ingestion or choking hazards.
- Regularly inspect the foam cover for any signs of wear or damage. Do not use if damaged.
- Follow all manufacturer's instructions and local laws when using this product.
- Report any unsafe product conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the foam cover if it has been exposed to excessive heat or chemicals, as this may compromise its integrity.
- Avoid using sharp objects near the foam cover to prevent puncturing or tearing.
- Ensure that the foam cover is securely fitted on the buffer tube to prevent accidental removal during use.
- If you experience any allergic reactions to the foam material, discontinue use immediately and consult a medical professional.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by cleaning the buffer tube to remove any dirt or debris.
- Align the foam cover with the buffer tube, ensuring that it fits snugly.
- Gently slide the foam cover onto the buffer tube, ensuring a secure fit.
- Check that the foam cover is properly seated and does not obstruct any moving parts.

### 2. Usage:

- Use the foam cover to enhance comfort while handling your ARstyle pistol.
- Regularly check the foam cover for any signs of wear or damage during use.
- If the foam cover becomes loose, remove and reinstall it to ensure it is secure.

## Disposal Instructions

- Dispose of the foam cover responsibly. Check local regulations for proper disposal methods.
- Do not incinerate the foam cover, as it may release harmful fumes.
- If the foam cover is no longer usable, consider recycling if possible.

## Contact Information for Further Support

For any inquiries or concerns regarding the AR15/M16 Pistol Buffer Tube Foam Cover, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR). Your

adherence to these guidelines helps ensure a safe and enjoyable experience with your new product.
