# Safety Instruction Guide for 1911 Match Grade Threaded Barrels

## Introduction

Thank you for choosing the 1911 Match Grade Threaded Barrels from Nighthawk Custom. This guide provides essential safety information to ensure the safe use and maintenance of your new product. Please read this guide carefully before using the barrel.

## General Safety Guidelines

- Ensure that the barrel is compatible with your firearm model before installation.
- Always follow the manufacturer's instructions for your firearm.
- Use only the recommended ammunition type (45 ACP) for this barrel.
- Keep the barrel and all firearms stored securely and out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Wear appropriate eye and ear protection when shooting.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not exceed the recommended barrel weight limit of 0.2465 lbs.
- Avoid using the barrel if it shows signs of corrosion or damage.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstructions.
- Do not modify the barrel in any way that could compromise its safety or performance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel according to the firearm manufacturer's instructions.
- Align the new threaded barrel with the slide and frame of the firearm.
- Secure the barrel in place, ensuring it is properly seated and locked.
- Check the barrel's thread pitch (.578x28) to ensure compatibility with suppressors or muzzle devices.

### 2. Usage

- Load the firearm with the recommended ammunition (45 ACP).
- Ensure the firearm is in a safe condition before firing.
- Maintain control of the firearm at all times while shooting.
- After use, clean the barrel according to the maintenance guidelines provided by the manufacturer.

## Disposal Instructions

- Dispose of any damaged or worn barrels in accordance with local laws and regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local recycling facilities or hazardous waste disposal services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or further support regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure a safe and enjoyable experience with your 1911 Match Grade Threaded Barrel. Thank you for your attention to safety!
