

# **SUPER SCAR TRIGGER - GEISSELE AUTOMATICS SUPER SCAR 2-STAGE CURVED TRIGGER FOR FN SCAR**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Geissele Super SCAR trigger is a semi-automatic trigger that Geissele has developed as a retrofit for the FN SCAR 16 and FN SCAR 17. The Geissele Super SCAR trigger is designed to only fit into the standard polymer trigger housing manufactured by FN. The SCAR trigger is a non-adjustable, two-stage trigger but it is not a Match trigger. The Geissele SCAR trigger is ideally suited for Close Quarters Battle (CQB) and mid-range work. Comes with Aeroshell #6 Lubricant.

## **Attributes**

# Safety Instruction Guide for Geissele Super SCAR Trigger

## Introduction

Thank you for choosing the Geissele Super SCAR Trigger. This guide provides essential safety instructions to ensure the safe use of your trigger. Please read this guide carefully before installation and usage to protect yourself and others.

## General Safety Guidelines

- Always treat the trigger as if it is loaded.
- Ensure that the trigger is installed in a safe environment, away from children and unauthorized users.
- Use the trigger only with compatible firearms, specifically the FN SCAR 16 and FN SCAR 17, and ensure it is installed correctly.
- Regularly inspect the trigger for any signs of wear or damage.
- Store the trigger in a secure location when not in use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the Geissele Super SCAR Trigger in accordance with the manufacturer's specifications.
- Do not attempt to adjust the pull weight or sear engagement, as these are nonadjustable features.
- Ensure that the firearm is pointed in a safe direction at all times when handling.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Wear appropriate protective gear, such as safety glasses and hearing protection, when using the firearm.
- Keep your finger off the trigger until you are ready to shoot.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing trigger from the FN SCAR 16 or FN SCAR 17.
- Carefully install the Geissele Super SCAR Trigger into the standard polymer trigger housing.
- Verify that the trigger is seated properly and that all components are secure.
- Conduct a function check to ensure the trigger operates correctly before using the firearm.

### 2. Usage

- Familiarize yourself with the twostage trigger operation:
  - The first stage has a pull weight of approximately 2.5 lbs.
  - The second stage has a pull weight of approximately 2 lbs.
- Practice safe handling and shooting techniques.
- Always follow range rules and regulations.

## Disposal Instructions

- Dispose of the trigger according to local regulations for firearm components.
- Do not dispose of the trigger in regular household waste.
- Contact your local waste management authority for appropriate disposal options.

## **Contact Information for Further Support**

For further assistance or safety inquiries, please refer to the manufacturer's website or customer service.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on your responsible handling and use of the Geissele Super SCAR Trigger.
