TLR1 HL Weaponlight Safety Instruction Guide

Introduction

Thank you for choosing the TLR1 HL Weaponlight. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before using the product to understand the necessary precautions and proper usage.

General Safety Guidelines

- Ensure that the TLR1 HL Weaponlight is used according to the manufacturer's instructions.
- Always handle the weaponlight with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The TLR1 HL Weaponlight emits a powerful beam of light (up to 1000 lumens) that can cause temporary blindness if directed at the eyes.
- The product is designed for use with firearms; ensure proper training and familiarity with firearm safety before use.
- Ensure the weaponlight is securely mounted to avoid accidental detachment during use.

- **Avoiding Hazards:**

- Do not shine the light directly into anyone's eyes.
- Always ensure the weapon is pointed in a safe direction when attaching or detaching the weaponlight.
- Do not use the weaponlight in wet or damp conditions unless specified, as it is rated IPX7 waterproof.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Keep out of reach of minors.
- Ensure that only trained individuals handle this product.

Instructions for Installation and Usage

- **Installation:**

- Ensure the firearm is unloaded before attaching the weaponlight.
- Use the rail grip clamp system to securely attach the weaponlight to the firearm's rail:
- Align the weaponlight with the rail.
- Slide the weaponlight into position.
- Tighten the clamp until secure; do not overtighten.

- **Usage:**

- To activate the weaponlight, use the ambidextrous momentary/steady on/off switch.
- For strobe functionality, refer to the user programmable settings to enable or disable as needed.

- Ensure the weaponlight is turned off when not in use to conserve battery life.

- **Battery Replacement:**

- The TLR1 HL Weaponlight is powered by two 3volt CR123 lithium batteries.
- To replace the batteries:
- Unscrew the battery cap.
- Remove old batteries and insert new ones, ensuring proper polarity.
- Replace and securely tighten the battery cap.

Disposal Instructions

- Dispose of the TLR1 HL Weaponlight and its batteries in accordance with local regulations.
- Do not dispose of lithium batteries in regular household waste; use designated battery recycling programs.
- Ensure that the product is completely decommissioned before disposal.

Contact Information for Further Support

For additional support or inquiries regarding the TLR1 HL Weaponlight, please refer to the manufacturer's official website or customer service channels. Always ensure you have the product details available when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy the reliable performance of your TLR1 HL Weaponlight.
