

# THREAD ADAPTER 1/2-28 TO 5/8-24 - PRECISION ARMAMENT

## THREAD ADAPTER 1/2-28 TO 5/8-24 STAINLESS STEEL

[Rifle Parts](#) > [Muzzle Devices](#) > [Thread Adapters](#)

Ideal for attaching 5/8-24 muzzle brakes, suppressors, or any other alignment critical devices to your AR-15/M16 barrel. Both Internal and external threads are single point cut in same operation to tight UNEF Class-3 tolerances for perfect concentricity and alignment. Compact design moves muzzle device only .100" forward maintaining full thread joint strength. Precision CNC machined from pre-hardened HTSR 400 series stainless steel bar for superior heat and corrosion resistance. Available in an advanced PVD (Physical Vapor Deposition) matte-black finish, offering exceptional durability and corrosion resistance at high temperatures, making it ideal for full auto fire as well as suppressor applications. Also available in a matte stainless finish.

### Attributes

- Name: [PRECISION ARMAMENT THREAD ADAPTER 1/2-28 TO 5/8-24 STAINLESS STEEL](#)
- Manufacturer: [PRECISION ARMAMENT](#)
- Product no.: 100011969
- Mfr. No.: A02002
- Finish: Stainless Steel
- Threads: 1/2-28 to 5/8-24
- Weapon type: AR-15
- Delivery weight: 0.068kg
- Shipping height: 8mm
- Shipping width: 51mm
- Shipping length: 102mm

### Item details

Made in USA

US export classification: 0A501.x

# THREAD ADAPTER 1/228 TO 5/824 SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the THREAD ADAPTER 1/228 TO 5/824 by Precision Armament. This guide provides important safety information, installation instructions, and usage precautions to ensure safe and effective operation of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any damage before installation. Do not use if damaged.
- Keep the product away from children and unauthorized users.
- Use protective eyewear when installing or using this product.
- Be aware of the potential hazards associated with the use of firearms and related accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the THREAD ADAPTER with compatible devices that have 5/824 threads.
- Ensure that the adapter is securely fastened before using any attached device.
- Do not exceed the recommended torque specifications when installing the adapter.
- Avoid using excessive force when attaching or detaching devices to prevent damage.
- Regularly check the adapter for signs of wear or damage, especially after heavy use.
- Do not modify the adapter in any way, as this may compromise its safety and effectiveness.
- Store the adapter in a safe and dry place when not in use.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a compatible wrench.

### 2. Installation Steps

- Clean the threads of both the firearm barrel (1/228) and the muzzle device (5/824) to remove any debris or oil.
- Align the THREAD ADAPTER with the barrel threads and handtighten it into place.
- Using a wrench, securely tighten the adapter while ensuring it remains aligned. Avoid overtightening.

### 3. Usage Steps

- Attach the muzzle device to the THREAD ADAPTER, ensuring it is compatible with the 5/824 threads.
- Handtighten the muzzle device, then use a wrench to secure it in place without overtightening.
- Test the assembly for stability and ensure there are no wobbles or movement.

### 4. PostUse Care

- After use, clean the adapter and attached devices to prevent corrosion.
- Inspect the adapter for any signs of wear or damage before the next use.

## **Disposal Instructions**

- Dispose of the THREAD ADAPTER in accordance with local regulations for metal products.
- Do not dispose of in regular household waste. Check for local recycling options.

## **Contact Information for Further Support**

For any inquiries or further support, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's website.

Thank you for ensuring your safety and the safety of others while using the THREAD ADAPTER 1/228 TO 5/824. Your adherence to these guidelines is crucial for safe and effective operation.
