

# DELUXE CARBON FIBER CLEANING ROD - 17-20 CALIBER 36" 5-40F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. Feature an ergonomically designed handle that spins on two sets of ball bearings - the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore.

## Attributes

- Name: [17-20 CALIBER 36" 5-40F CLEANING ROD](#)
- Manufacturer: [TIPTON GUN CLEANING SUPPLIES](#)
- Product no.: 100012231
- Mfr. No.: 107486R
- Caliber: 17 Caliber (.172)
- Material: Carbon Fiber
- Style: Pistol,Rifle
- Delivery weight: 0.771kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 1,137mm
- UPC: 661120074861

# Safety Instruction Guide for DELUXE CARBON FIBER CLEANING ROD 1720 CALIBER 36" 540F

## Introduction

Thank you for choosing the DELUXE CARBON FIBER CLEANING ROD. This guide provides essential safety instructions and usage information to ensure safe and effective use of the product. Please read this manual carefully before using the cleaning rod.

## General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose, which is cleaning firearms.
- Always handle firearms and cleaning equipment with care and follow standard safety procedures.
- Keep the cleaning rod out of reach of children and unauthorized users.
- Regularly inspect the cleaning rod for any signs of damage or wear before use.
- If you notice any defects or if the cleaning rod is not functioning properly, do not use it and seek assistance.

## Specific Safety Precautions for Use

- Do not apply excessive force when using the cleaning rod, as this may damage both the rod and the firearm.
- Always ensure that the firearm is unloaded before using the cleaning rod.
- Avoid using the cleaning rod in wet or damp conditions to prevent damage to the rod and ensure safe handling.
- Use appropriate cleaning patches and solvents that are compatible with your firearm and cleaning rod.
- When using the cleaning rod, maintain a firm grip and control to prevent slippage.
- Be cautious of sharp edges or protrusions on the firearm while cleaning.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning patches and solvent.

### 2. Using the Cleaning Rod

- Insert the cleaning patch onto the cleaning tip of the rod.
- Apply a small amount of cleaning solvent to the patch if needed.
- Carefully insert the cleaning rod into the bore of the firearm.
- Gently push and pull the rod through the bore, allowing it to follow the rifling without excessive force.
- Repeat the process as necessary until the bore is clean.

### 3. PostCleaning

- After cleaning, remove the cleaning rod from the bore.
- Inspect the cleaning rod for any signs of damage or wear.
- Store the cleaning rod in a safe and dry place, away from children and pets.

## Disposal Instructions

- Dispose of any used cleaning patches and solvents according to local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged. Follow local guidelines for the disposal of hazardous materials.

## Contact Information for Further Support

For any safety inquiries or further support regarding the DELUXE CARBON FIBER CLEANING ROD, please refer to the product packaging for contact details of the manufacturer or authorized distributor.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning experience with your DELUXE CARBON FIBER CLEANING ROD. Always prioritize safety and proper handling when using cleaning equipment. Thank you for your attention to these important safety measures.
