

# AR MAINTENANCE MAT - DELTA SERIES AR MAINTENANCE MAT DARK GRAY

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Bench Mats](#)

Padded neoprene mat with rubber backing protects gun's finish during cleaning. Big enough to accommodate a full-size AR-15/M16 rifle. Features a big exploded drawing of an AR-15 organized by major groups - even a schematic of a disassembled 30-round magazine. Absorbs excessive oils and solvents and keeps your work surface dry and clean. Rolls up easily for storage.

# Safety Instruction Guide for AR Maintenance Mat Delta Series

## Introduction

Thank you for choosing the AR Maintenance Mat Delta Series. This padded neoprene mat is designed to protect your firearm during cleaning and maintenance. It is essential to follow safety guidelines to ensure safe usage and to maintain the quality of your product.

## General Safety Guidelines

- Ensure the mat is placed on a stable and flat surface before use.
- Keep the mat away from open flames or high heat sources.
- Do not use the mat for purposes other than intended (cleaning and maintenance of firearms).
- Regularly inspect the mat for wear and tear; discontinue use if damaged.
- Store the mat in a cool, dry place when not in use.
- Be aware of the chemicals used in firearm cleaning; ensure proper ventilation when using solvents.

## Specific Safety Precautions for Use

- Do not leave firearms unattended on the mat.
- Ensure that the firearm is unloaded before placing it on the mat.
- Avoid using sharp objects directly on the mat to prevent damage.
- Be cautious when handling solvents and oils; use gloves if necessary.
- Keep the mat out of reach of children and pets.

## Instructions for Installation and Usage

### 1. Unrolling the Mat

- Carefully unroll the mat on a flat surface.
- Ensure the rubber backing is facing down for stability.

### 2. Preparing for Use

- Gather all necessary cleaning supplies (solvents, oils, brushes, etc.) before starting.
- Ensure that the area is wellventilated.

### 3. Using the Mat

- Place the unloaded firearm on the mat.
- Use the exploded drawing as a reference for disassembly and cleaning.
- Apply cleaning solvents sparingly to avoid excess absorption by the mat.

### 4. Cleaning the Mat

- After use, wipe the mat with a damp cloth to remove any oils or solvents.
- Allow the mat to dry completely before rolling it up for storage.

### 5. Storing the Mat

- Roll the mat from one end to the other, ensuring it is not folded sharply.
- Store in a cool, dry place, away from direct sunlight.

## **Disposal Instructions**

- If the mat is damaged beyond repair, dispose of it in accordance with local waste disposal regulations.
- Do not incinerate the mat as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the AR Maintenance Mat Delta Series, please refer to the EUbased contact point provided with your product.

## **Conclusion**

By following these guidelines, you can ensure that your AR Maintenance Mat Delta Series is used safely and effectively. Always prioritize safety during firearm maintenance and cleaning. Thank you for your attention to these important safety instructions.
