Safety Instruction Guide for the 1911 Armorer Plate with MP1A Mag Post & Swivel

Introduction

Thank you for choosing the Present Arms 1911 Armorer Plate with MP1A Magazine Post and Swivel. This product is designed to enhance your experience as a 1911 shooter by providing a secure and efficient way to disassemble, clean, and reassemble your firearm. In order to ensure your safety and the proper use of this product, please read and follow the safety guidelines outlined in this manual.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to fire.
- Use safety equipment, such as eye and ear protection, when handling firearms.
- Store your firearm and ammunition securely and out of reach of children.
- Inspect the Armorer Plate and its components for any signs of damage before use.
- Follow all local laws and regulations regarding firearm handling and maintenance.

Specific Safety Precautions for Use

- Ensure that the Armorer Plate is placed on a stable and flat surface during use.
- Do not attempt to disassemble or clean your firearm while it is loaded.
- Always verify that your firearm is unloaded before placing it on the Armorer Plate.
- Use the provided components (Swivel and Magazine Post) as intended; do not modify them.
- Keep hands and tools away from moving parts when disassembling the firearm.
- Be cautious of sharp edges on the firearm and the Armorer Plate.
- If you are unfamiliar with firearm maintenance, seek guidance from a qualified professional.

Instructions for Installation and Usage

1. Setup the Armorer Plate

- Place the 1911 Armorer Plate on a stable, flat surface.
- Ensure that the area is welllit and free of distractions.

2. Prepare the Firearm

- Confirm that the firearm is unloaded by visually and physically checking the chamber and magazine.
- Remove the magazine and any ammunition from the vicinity.

3. Using the Armorer Plate

- Position the firearm securely on the Armorer Plate.
- Use the MP1A Magazine Post to hold the magazine in place during disassembly and cleaning.
- Utilize the Swivel feature to allow for easier access to different parts of the firearm.

4. Disassembly and Cleaning

- Follow the manufacturer's instructions for disassembling your 1911 firearm.
- Use the Armorer Plate to support the firearm during cleaning and maintenance.

- After cleaning, ensure all parts are dry and free from any cleaning agents before reassembly.

5. Reassembly

- Carefully reassemble the firearm following the manufacturer's guidelines.
- Ensure all parts are properly secured before handling the firearm.

6. Final Safety Check

- Once reassembled, conduct a final safety check to ensure the firearm is functioning correctly.
- Store the firearm safely when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the Armorer Plate or any of its components become damaged beyond repair, dispose of them in a manner that prevents unauthorized use.
- Do not incinerate any plastic components.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Armorer Plate with MP1A Magazine Post and Swivel, please refer to the manufacturer's website or customer support resources. Always ensure you have the latest information regarding safety recalls or product updates.

By following these guidelines and instructions, you can ensure a safe and effective experience while using the Present Arms 1911 Armorer Plate with MP1A Magazine Post and Swivel. Remember, safety is paramount when handling firearms. Thank you for your attention to these important safety measures.
