# Survivor Ammo Can Safety Instruction Guide

## Introduction

Thank you for choosing the Survivor Ammo Can by MTM CaseGard. This product is designed for safe underground ammo storage and a variety of other uses. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the ammo can is used only for its intended purpose.
- Always store the ammo can in a cool, dry place to prevent moisture damage.
- Keep the ammo can out of reach of children and vulnerable individuals.
- Regularly inspect the ammo can for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of moisture damage if not properly sealed.
- Potential for accidental injury when handling heavy items or ammunition.

### • Avoiding Hazards:

- Always ensure the lid is securely closed to maintain a seal against moisture.
- Use gloves when handling ammunition to prevent injury.
- Do not overload the ammo can beyond its capacity (500 rounds of .45 ACP or .223 ammo).
- Avoid placing the ammo can in areas where it could be exposed to extreme temperatures or humidity.

## Instructions for Installation and Usage

### • Installation:

- Choose a suitable location for the ammo can that is cool, dry, and away from direct sunlight.
- Ensure the surface is stable and can support the weight of the ammo can when filled.

### • Usage:

- Open the ammo can by unscrewing the protective cap and lifting the lid.
- Place items inside the can, ensuring they are arranged to avoid damage.
- Use the included Vapor Corrosion Inhibitor plastic bag to line the interior for added protection against moisture.
- Place the Desiccant pack inside the can to help control humidity.
- Close the lid securely after use to maintain the seal.
- Store the ammo can in a safe location, out of reach of children and pets.

## Disposal Instructions

- Dispose of the ammo can in accordance with local regulations regarding plastic and metal waste.
- If the can is damaged or no longer usable, contact your local waste management authority for proper

disposal methods.

- Do not dispose of the ammo can in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any inquiries regarding safety or product usage, please consult the product packaging for contact details or visit the manufacturer's website for more information.

By following these safety instructions, you will help ensure the safe use and longevity of your Survivor Ammo Can. Thank you for your attention to safety!
