# Safety Instruction Guide for AR15/M16 Stripped Upper Receiver

## Introduction

Thank you for choosing the Aero Precision Stripped Upper Receiver for your AR15 platform. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe and effective operation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm unloaded and in a secure location when not in use.
- Regularly inspect your upper receiver for any signs of wear or damage.
- Use only compatible components and adhere to all manufacturer specifications.
- Ensure that you are familiar with local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that the upper receiver is installed by a qualified gunsmith or individual with experience in firearm assembly.
- Avoid using ammunition that does not meet the specified cartridge requirements (223 Remington, 5.56 mm NATO).
- Do not modify the upper receiver or any of its components without consulting a qualified professional.
- Keep the receiver and all associated parts clean and free from debris to ensure proper functioning.
- Always wear appropriate safety gear, including eye and ear protection, when operating your firearm.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that you have all necessary tools and components before starting the installation.
- Remove any existing upper receiver from your AR15 lower receiver.
- Align the Aero Precision Stripped Upper Receiver with the lower receiver, ensuring that the takedown pin holes are properly aligned.
- Insert the .250" pivot and takedown pins to secure the upper receiver in place.
- Check for proper fit and function before proceeding to use.

### 2. Usage

- Always check that the firearm is unloaded before handling.
- Load the firearm only when you are ready to shoot.
- Follow all standard operating procedures for the safe handling and operation of firearms.
- Be sure to clean and maintain your upper receiver regularly to ensure optimal performance.

## Disposal Instructions

- Dispose of any packaging materials responsibly, adhering to local recycling guidelines.
- If the upper receiver is no longer usable, consult local regulations for the proper disposal of firearm components.
- Do not discard the upper receiver in regular trash; instead, contact local authorities for guidance on

disposal.

## **Contact Information for Further Support**

For any questions regarding safety, installation, or usage, please consult the manufacturer or a qualified professional. Always ensure you are following the most current safety practices and regulations.

This guide is designed to keep you and others safe while using the Aero Precision Stripped Upper Receiver. Always prioritize safety and responsible firearm ownership. Thank you for your attention to these important guidelines.
