Safety Instruction Guide for 12HOUR LIGHTSTICKS VOO DOO TACTICAL

Introduction

Thank you for choosing the 12HOUR LIGHTSTICKS VOO DOO TACTICAL. These lightsticks provide a reliable source of illumination for various situations, including emergencies and outdoor activities. This guide outlines essential safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the lightsticks as intended.
- Keep lightsticks out of reach of children and pets when not in use.
- Do not ingest any part of the lightstick or its contents.
- Avoid exposing the lightsticks to extreme temperatures or direct sunlight for prolonged periods.
- Inspect the packaging for any signs of damage before use. Do not use if damaged.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is not suitable for children under the age of 3 without adult supervision.
- **Emergency Situations:** Use the lightsticks in a wellventilated area to avoid any potential inhalation of fumes from the product.
- **Handling:** Handle the lightsticks with care. Avoid bending or puncturing them as this may cause leakage.
- **Storage:** Store lightsticks in a cool, dry place away from direct sunlight and heat sources.

Instructions for Installation and Usage

1. Opening the Package:

- Carefully remove the lightstick from its foil wrapping.
- Do not use sharp objects that may damage the lightstick.

2. Activating the Lightstick:

- Bend the lightstick gently until you hear a snap. This action activates the chemical reaction that produces light.
- Shake the lightstick lightly to ensure even distribution of the chemicals inside.

3. Using the Lanyard Hole:

- Use the lanyard hole and hook on top to attach the lightstick to your pets, pack, or kids for easy access.
- Ensure that the attachment is secure to prevent accidental loss.

4. Disposal:

- After use, dispose of the lightstick in accordance with local regulations.
- Do not dispose of in fire or incinerators as this may cause hazardous fumes.

Disposal Instructions

- Dispose of used lightsticks in accordance with local waste management regulations.

- Do not throw lightsticks in regular household waste.
- Check local guidelines for hazardous waste disposal if necessary.

Contact Information for Further Support
