

# **REMINGTON 870/1100/11-87 SHOTGUN MAGAZINE EXTENSION TUBES - CARLSONS MAGAZINE EXTENSION 12 GA 7 SHOT REMINGTON 870/1100/11-87**

[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Tube Extensions](#)

Add firepower to your favorite shotgun. These magazine extensions are constructed of blued solid steel and come with spring, base clamp, and a high visibility follower. The threaded tube replaces your magazine cap and gives you the ability to add extra rounds to your magazine. Easy to follow instructions are included. The magazine extension tube is great for home protection, competition shooting, and law enforcement.

# REMINGTON 870/1100/1187 Shotgun Magazine Extension Tubes Safety Instructions

## Introduction

Thank you for purchasing the REMINGTON 870/1100/1187 Shotgun Magazine Extension Tubes by CARLSONS. These magazine extensions are designed to enhance the firepower of your shotgun while ensuring safety during use. This guide provides essential safety instructions and guidelines to help you use the product responsibly and effectively.

## General Safety Guidelines

- Always treat your shotgun as if it is loaded.
- Keep the shotgun pointed in a safe direction at all times.
- Store the shotgun and magazine extensions in a secure location, away from children and unauthorized users.
- Before installation, ensure the shotgun is unloaded and the safety is engaged.
- Inspect the magazine extension for any damage or defects before use.
- Follow all local laws and regulations regarding the use of firearms and magazine extensions.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the magazine extension is compatible with your shotgun model (Remington 870, 1100, or 1187).
- Only use 12 gauge ammunition with the magazine extension.
- Do not exceed the recommended capacity of 7 rounds plus 1 in the chamber.
- Avoid using damaged or worn ammunition, as this may lead to malfunctions.
- Use the magazine extension only for its intended purpose: home protection, competition shooting, or law enforcement.
- Be aware of your surroundings and ensure a clear line of fire when using the shotgun.
- If you experience any malfunctions while using the shotgun with the magazine extension, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the shotgun is unloaded and the safety is engaged.
- Remove the magazine cap from the shotgun.
- Replace it with the magazine extension tube.
- Secure the magazine extension with the base clamp provided.
- Insert the spring and high visibility follower into the magazine extension.
- Ensure everything is properly aligned and secured before use.

### 2. Usage:

- Load the magazine extension with no more than 7 rounds of 12 gauge ammunition.
- Always check that the shotgun is properly loaded before firing.
- After firing, ensure the shotgun is safe before reloading or making adjustments.

## **Disposal Instructions**

- Dispose of any damaged or defective magazine extensions in accordance with local regulations.
- Do not dispose of the magazine extension in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the REMINGTON 870/1100/1187 Shotgun Magazine Extension Tubes, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Stay safe and responsible while enjoying your shooting activities.
