Safety Instruction Guide for BENELLI NOVA SHOTGUN MAGAZINE EXTENSION TUBES

Introduction

Thank you for choosing the BENELLI NOVA SHOTGUN MAGAZINE EXTENSION TUBES by CARLSONS. This product is designed to enhance the capacity of your shotgun, offering increased firepower for various applications, including home protection and competition shooting. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used in accordance with all local laws and regulations regarding firearms and ammunition.
- Always treat your shotgun as if it is loaded, even when you believe it is not.
- Keep the shotgun pointed in a safe direction at all times.
- Store the shotgun and magazine extension tubes securely and out of reach of children and unauthorized users.
- Regularly check the magazine extension for any signs of damage or wear before use.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Only use the magazine extension tubes with compatible BENELLI NOVA or SUPER NOVA shotguns.
- This product is designed for 12 gauge ammunition only. Do not attempt to use it with other gauges.
- Ensure that the magazine extension is properly installed before loading ammunition.
- Always verify that the shotgun is unloaded before installing or removing the magazine extension.
- Do not exceed the specified capacity of 8 rounds plus 1 in the chamber.
- Use only highquality, reliable ammunition to prevent malfunctions.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the shotgun is unloaded and pointed in a safe direction.
2. **Remove the Magazine Cap:** Unscrew the magazine cap from the shotgun's magazine tube.
3. **Install the Magazine Extension:**
 - Screw the magazine extension tube onto the shotgun's magazine tube, ensuring it is securely attached.
 - Make sure the spring and follower are correctly positioned within the extension.
4. **Replace the Magazine Cap:** If applicable, secure the base clamp to hold the extension in place.
5. **Check Functionality:** Ensure that the extension is properly installed and functions smoothly by cycling the action of the shotgun without ammunition.

Usage

- Load the magazine extension with 12 gauge shells, ensuring the total capacity does not exceed 8 rounds in the magazine plus 1 in the chamber.
- Always perform a function check before each use to ensure the shotgun operates correctly with the extension installed.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the magazine extension tubes in accordance with local regulations regarding the disposal of firearms accessories.
- If the product is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly to prevent accidents.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please reach out to the manufacturer or your local dealer for assistance. Ensure you have your product details ready for a more efficient response.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your BENELLI NOVA SHOTGUN MAGAZINE EXTENSION TUBES. Always prioritize safety and compliance with local laws when using firearms and related accessories. Thank you for your attention to these important guidelines.
