

# AK47/AKM OPTIC MOUNT SYSTEM - RS REGULATE VZ-304 VZ 58 REAR-BIASED LOWER RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Updated design allows for customization of the mounting platform. Option of three different lower mounts, with a full length lower rail, forward rail and rear rail. Placement of lower rail allows for optics to be positioned in the ideal location front to back, as well as right to left. Lightweight CNC machined aircraft grade 6061 T6 aluminum. Position optics in co-witness location. Allows field stripping of the rifle without removal of the optic on most AK variants. Redesigned thumb lever lock retains zero even after repeated optic removal and reinstallation. Ability to stake position for extreme duty. AKML allows the mounting of the Aimpoint T-1 and H-1 Micro Red Dot Optics AKOG allows the mounting of Trijicon ACOG sight systems

## Attributes

- Name: [RS REGULATE VZ-304 VZ 58 REAR-BIASED LOWER RAIL](#)
- Manufacturer: [RS REGULATE](#)
- Product no.: 100013590
- Mfr. No.: VZ-304M
- Colour: Black
- Finish: Matte Black
- Material: 6061 T6 Aluminum
- Number of Bases: 2-Piece
- Style: Receiver Mount
- Delivery weight: 0.363kg
- Shipping height: 60mm
- Shipping width: 112mm
- Shipping length: 196mm
- UPC: 617395300129

# AK47/AKM Optic Mount System RS Regulate VZ304 VZ 58 RearBiased Lower Rail Safety Instructions

## Introduction

Thank you for purchasing the AK47/AKM Optic Mount System RS Regulate VZ304 VZ 58 RearBiased Lower Rail. This product is designed to enhance the functionality of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain the product safely and effectively.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the optic mount and the firearm are compatible before installation.
- Follow all local laws and regulations regarding firearm accessories.
- Regularly inspect the optic mount for any signs of wear or damage.
- Always use the optic mount in accordance with the manufacturer's instructions.
- Keep the optic and firearm out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or adjusting the optic mount.
- Do not attempt to install or remove the optic mount while the firearm is loaded.
- Use only compatible optics with a 30mm OD tube to avoid improper fit.
- Avoid excessive force when tightening the thumb lever lock to prevent damage.
- Ensure the optic is securely mounted before using the firearm.
- Do not modify the optic mount or its components.
- Be aware of the potential for recoil and ensure the optic is properly secured to maintain zero.
- Always follow the manufacturer's guidelines for field stripping the rifle.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather necessary tools for installation (if required).

### 2. Installation:

- Select the appropriate lower mount from the three options provided.
- Align the lower mount with the receiver side mount base dovetail.
- Secure the mount using the provided thumb lever lock, ensuring it is tightened but not overtorqued.
- Attach the optic to the mount, ensuring it is positioned in the cowitness location.
- Verify that the optic is securely attached and properly aligned.

### 3. Usage:

- Before firing, check that the optic is retaining zero by performing a function check.

- Use the firearm in a safe and controlled environment.
- Regularly check the optic mount and optic for any signs of loosening or wear during use.

#### **4. Field Stripping:**

- Follow the firearm's manual for field stripping procedures.
- If applicable, ensure the optic remains mounted during the process to maintain zero.

## **Disposal Instructions**

- Dispose of the optic mount responsibly in accordance with local regulations.
- Do not dispose of any electronic components in regular waste.
- Contact local waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the safety or installation of the AK47/AKM Optic Mount System RS Regulate VZ304 VZ 58 RearBiased Lower Rail, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure the safe use and longevity of your AK47/AKM Optic Mount System. Thank you for prioritizing safety and compliance.
