VENTLESS SPIGOT ASSEMBLY SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Ventless Spigot Assembly for your WaterBrick water container. This guide provides essential safety instructions to ensure the safe use of the product in accordance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Always ensure the product is used as intended and in accordance with the manufacturer's instructions.
- Inspect the spigot assembly for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children to prevent accidental use or injury.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Ensure the WaterBrick container is clean and free from contaminants before filling.
- Do not use the spigot assembly for any purpose other than dispensing water or foodsafe liquids.
- Avoid exposing the spigot assembly to extreme temperatures or direct sunlight for prolonged periods.
- Regularly check for leaks or wear and replace the spigot assembly if necessary.
- If using the WaterBrick for food storage, ensure that the spigot assembly is thoroughly cleaned before switching from water to food.

Instructions for Installation and Usage

1. Installation:

- Ensure the WaterBrick container is empty and clean before installation.
- Align the ventless spigot assembly with the designated opening on the WaterBrick container.
- Push the spigot assembly firmly into place until it is fully seated.
- Ensure that the assembly is securely attached and there are no gaps.

2. Usage:

- Fill the WaterBrick container with water or foodsafe liquids as needed.
- To dispense liquid, turn the spigot handle to the open position.
- Always close the spigot handle when not in use to prevent spills.
- Clean the spigot assembly regularly to maintain hygiene.

Disposal Instructions

- Dispose of the Ventless Spigot Assembly in accordance with local regulations.
- If the spigot assembly is no longer functional, consider recycling if possible.
- Do not dispose of the spigot assembly in general waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or assistance regarding the Ventless Spigot Assembly, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for following these safety instructions. Your safety is our priority.
