

# AR-15 ACS-L STOCK COLLAPSIBLE MIL-SPEC - MAGPUL ACS-L COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 GRAY

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## Extra-Slim Profile For Added Maneuverability

The Adaptable Carbine Stock-Light (ACS-L) is a slimmed-down, lightweight, version of Magpul's popular ACS stock. The ACS-L provides extra maneuverability by eliminating the ACS's side storage compartments, while retaining the wide, sloping top for a secure, comfortable cheekweld. Also retained is the storage compartment in the tail of the stock, and the friction locking system that prevents unwanted wobble after extending the stock. Includes a reversible socket for QD pushbutton sling swivels and a 1" sling loop molded in the toe of the stock. The .3" thick rubber recoil pad can be replaced by Magpul Tactical Recoil Pads (sold separately). Models available to fit Mil-Spec (1.14" O.D.) carbine buffer tubes. Buffer tube, carbine buffer, receiver extension nut, and carbine-length action spring not included.

## Attributes

- Name: [MAGPUL ACS-L COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 GRAY](#)
- Manufacturer: [MAGPUL](#)

# Safety Instruction Guide for AR15 ACSL Stock

## Introduction

Thank you for choosing the AR15 ACSL Collapsible MilSpec Stock by Magpul. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the stock.
- Familiarize yourself with the operation and features of the AR15 platform.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Inspect the stock regularly for any signs of wear or damage.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the stock is compatible with your specific AR15 model and buffer tube before installation.
- Do not exceed the manufacturer's recommended length of pull adjustments.
- Use only Magpul Tactical Recoil Pads if replacement is necessary.
- Avoid using the stock in extreme temperatures or conditions that may compromise its integrity.
- Always secure the stock properly to prevent wobble during use.
- Be cautious of the recoil when firing, and ensure that the stock is firmly positioned against your shoulder.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure your AR15 is unloaded and pointed in a safe direction.
2. **Remove the Existing Stock:** If applicable, detach the current stock from the buffer tube by following the manufacturer's instructions.
3. **Attach the ACSL Stock:**
  - Align the stock with the buffer tube.
  - Slide the stock onto the buffer tube until it is fully seated.
  - Secure the stock using the provided locking mechanism.
4. **Adjust Length of Pull:**
  - Adjust the length of pull by sliding the stock to the desired position.
  - Ensure it clicks into place and is secure.
5. **Check for Stability:** Test the stock by gently pulling and pushing to ensure it is firmly attached and does not wobble.

### Usage

- Always maintain a proper grip and stance when using your firearm equipped with the ACSL stock.
- Ensure the stock is fully extended or retracted as per your comfort and shooting style.
- Use the storage compartment in the tail of the stock for small items, ensuring they do not interfere with the stock's operation.

## Disposal Instructions

- Dispose of the stock according to local regulations.

- If the stock is damaged or no longer usable, contact local waste management for proper disposal methods.
- Do not dispose of the stock in regular household waste if it is still functional; consider donating or recycling if appropriate.

## **Contact Information for Further Support**

For any inquiries regarding the AR15 ACSL Collapsible MilSpec Stock, please refer to the manufacturer's contact details found on the product packaging or their official website.

Thank you for ensuring a safe and enjoyable experience with your AR15 ACSL stock. Always prioritize safety and responsible usage.
