## **Safety Instructions**

### **Introduction**

Thank you for choosing the XD/XDM Classic Tritium Night Sight Set designed for Springfield XD, XDM, and XDs handguns. This guide provides essential safety instructions to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

### **General Safety Guidelines**

- Ensure the product is intended for use with Springfield XD, XDM, and XDs handguns only.
- Always handle firearms with care and follow all safety protocols.
- Keep the night sights out of reach of children and vulnerable individuals.
- Regularly check your sights for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

### **Specific Safety Precautions for Use**

- Use the night sights only under appropriate lighting conditions for optimal visibility.
- Do not attempt to modify or disassemble the night sights.
- Ensure the sights are properly installed before use.
- Avoid exposing the sights to extreme temperatures or harsh chemicals.
- If you notice any unusual behavior or damage to the sights, discontinue use immediately.

### **Instructions for Installation and Usage**

#### **Installation**

1. **Preparation:** Ensure your handgun is unloaded and pointed in a safe direction.
2. **Removal of Old Sights:** Use the appropriate tools to carefully remove the existing sights. Follow the manufacturer's instructions for your specific handgun model.
3. **Installation of New Sights:**
  - Align the Tritium vials on the front and rear sights with the sight dovetails on the handgun.
  - Gently tap the sights into place using a nonmarring tool.
  - Ensure the sights are securely positioned and do not move.
4. **Final Check:** Verify that the sights are installed correctly and are aligned properly before using the handgun.

#### **Usage**

- To utilize the Tritium night sights, ensure that you are in a lowlight environment to take advantage of the glow from the Tritium vials.
- Practice aiming with the sights to familiarize yourself with their alignment and visibility.

### **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic waste and hazardous materials.
- Do not dispose of the night sights in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to the manufacturer or authorized retailers for assistance.

By following these safety instructions, you can ensure the safe and effective use of the XD/XDM Classic Tritium Night Sight Set. Thank you for prioritizing safety and compliance with EU regulations.
