

AR-15/M4 FLATTOP UPPER RECEIVER ASSEMBLY - BRAVO COMPANY UPPER RECEIVER ASSEMBLY

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Precise Dimensions Give Proper Fit & Function

Forged aluminum flattop receiver includes fully-assembled forward assist and ejection port cover and accepts barrels with M4 barrel extensions. All final dimensions machined to correct mil-spec tolerances to readily accept standard AR-15 parts to help you complete an upper receiver. Laser-etched T-marks on Picatinny rail enable easy removal and re-mounting of optics, sights, and other accessories in the correct position. Interior has dry film lubrication to help reduce wear. Inside Diameter for barrel extension slightly undersized for a tighter fit to the barrel and a more accurate rifle. Please use a hair dryer to warm up threaded bore of receiver if barrel extension is too tight.

Attributes

- Name: [BRAVO COMPANY UPPER RECEIVER ASSEMBLY](#)

Safety Instruction Guide for AR15/M4 Flattop Upper Receiver Assembly

Introduction

Thank you for purchasing the AR15/M4 Flattop Upper Receiver Assembly by Bravo Company. This guide provides important safety instructions and usage information to ensure safe and effective operation of your upper receiver assembly. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and follow all local, state, and national laws regarding their use.
- Always treat every firearm as if it is loaded.
- Store your upper receiver assembly and all firearm components securely and out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when handling or using firearms.
- Regularly inspect your upper receiver assembly for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use barrels that are compatible with the AR15/M4 Flattop Upper Receiver Assembly.
- Ensure that the barrel extension fits properly. If the barrel extension is too tight, warm the threaded bore of the receiver with a hair dryer before installation.
- Keep fingers and hands clear of the ejection port during operation to avoid injury.
- Do not modify the upper receiver assembly or any of its components. Modifications may lead to unsafe operation.
- Do not use the upper receiver assembly in wet or damp conditions to avoid corrosion or malfunction.

Instructions for Installation and Usage

1. Installation of Barrel:

- Ensure that the upper receiver assembly is clean and free of debris.
- Align the barrel extension with the receiver and gently insert it into the threaded bore.
- If the fit is too tight, warm the threaded bore with a hair dryer before attempting to install the barrel again.
- Secure the barrel using the appropriate torque specifications as outlined in your firearm's manual.

2. Mounting Optics and Accessories:

- Use the laseretched Tmarks on the Picatinny rail for accurate positioning of optics and accessories.
- Ensure that all mounting hardware is tightened to the manufacturer's specifications to prevent loosening during use.

3. Maintenance:

- Regularly clean the interior of the upper receiver assembly to remove any carbon buildup or debris.
- Apply dry film lubrication as needed to reduce wear on moving parts.
- Inspect the forward assist and ejection port cover for proper functionality.

4. Safety Checks Before Use:

- Always perform a safety check to ensure the firearm is unloaded before handling or performing maintenance.
- Verify that all components are properly installed and secured.

Disposal Instructions

- Dispose of the upper receiver assembly and any associated components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular trash. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or safety concerns regarding your AR15/M4 Flattop Upper Receiver Assembly, please consult your retailer or manufacturer. Ensure that you have your purchase information available for reference.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your AR15/M4 Flattop Upper Receiver Assembly. Thank you for your attention to these important safety guidelines.
