

AR-15 MOE-SL GRIP - MAGPUL MOE SL GRIP POLYMER FOR AR-15/M4 BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Similar to the MOE-K2, the MOE SL Grip (Magpul Original Equipment Slim Line) is a drop-in upgrade for AR-15/M4 pistol grips with a more vertical grip angle optimized for short LOP weapons that bring the primary hand in closer to the shooter's body. With an aggressive new texture for positive weapon control along with excellent ergonomics, the SL Grip provides a slightly smaller size and slimline feel. All mounting hardware included.

AR15 MOESL Grip Safety Instruction Guide

Introduction

Thank you for choosing the AR15 MOESL Grip by Magpul. This guide provides essential safety instructions and information to ensure the safe use and installation of your new grip. Please read this manual carefully before using the product.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or handling the grip.
- Use the grip only in accordance with the manufacturer's instructions.
- Keep the grip away from children and unauthorized users.
- Inspect the grip regularly for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that you are using the proper tools and follow the installation instructions to prevent accidents.
- **Handling:** Always handle your firearm with care, treating it as if it is loaded at all times.
- **Shooting Position:** Maintain a proper shooting stance to avoid strain or injury while using the grip.
- **Environmental Considerations:** Avoid using the grip in wet or slippery conditions that may affect your control of the firearm.
- **Personal Protective Equipment:** Use appropriate safety gear, such as eye protection, when handling firearms.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip by unscrewing the mounting hardware.
- Align the AR15 MOESL Grip with the mounting point on the firearm.
- Securely fasten the grip using the provided mounting hardware.
- Check that the grip is firmly attached and does not wobble.

2. Usage Tips:

- Familiarize yourself with the grip's feel and texture before shooting.
- Practice maintaining a firm grip while aiming and firing.
- Regularly check the grip for tightness and any signs of wear.

Disposal Instructions

- Dispose of the grip in accordance with local regulations.
- If the grip is damaged or no longer usable, consider recycling the polymer material if facilities are available.
- Do not dispose of the grip in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding safety or product performance, please contact the manufacturer or your local dealer for assistance. Ensure that you have the product details on hand for a more efficient response.

By following these guidelines, you can help ensure a safe and enjoyable experience with your AR15 MOESL Grip. Thank you for your attention to safety.
