# Safety Instruction Guide for Gibbz Arms G4 Side Charging Upper Receiver

## Introduction

Thank you for choosing the Gibbz Arms G4 Side Charging Upper Receiver. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and firearm components with care to prevent accidental discharge.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls or safety alerts on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only the G4 Enhanced Cam Pin included with the upper receiver. Using a standard cam pin may cause the bolt carrier group (BCG) to lock up, resulting in potential damage.
- Ensure that the charging handle is properly secured and in the forward position during operation.
- Do not modify the upper receiver or any of its components, as this may compromise safety and functionality.
- Be cautious when operating the upper receiver with suppressed fire. Ensure that the charging handle cover is properly installed to keep operating gases contained.
- Familiarize yourself with the operation of the upper receiver before use to prevent misuse or accidents.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that you have all necessary tools and components before starting the installation process.
- Carefully follow the manufacturer's guidelines for attaching the upper receiver to your lower receiver.
- Confirm that the charging handle is properly installed and secured.
- Check that the bolt carrier door is functioning correctly and allows for easy bolt carrier removal.

### 2. Usage

- Before firing, ensure that the upper receiver is properly attached to a compatible lower receiver.
- Load ammunition according to the specifications of the upper receiver.
- Always point the firearm in a safe direction when loading or unloading.
- After use, ensure that the firearm is unloaded and stored safely.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider contacting a local firearms dealer for proper disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the Gibbz Arms G4 Side Charging Upper Receiver, please consult your local firearms dealer or manufacturer support channels.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is of utmost importance.
