

M4E1 ENHANCED 5.56 NATO ASSEMBLED UPPER RECEIVER FOR AR-15 - AERO PRECISION M4E1 ENHANCED 5.56MM ASSEMBLED UPPER RECEIVER FOR AR-15 BLK

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Aero Precision's state of the art M4E1 platform starts here, with the M4E1 Upper Receiver. The M4E1 upper receiver is a one-piece design combining the handguard mounting platform with the upper itself. Through superior engineering, Aero have condensed the parts needed to mount a free-floated handguard to a mere 8 screws. Since the handguard mounting surface and upper are of the same forging, not only is it a stronger system, but they are able to make additional lightening cuts to save weight and allow for more efficient cooling. Ease of installation - Simply insert your barrel assembly into the M4E1 upper, tighten it using the provided barrel nut and wrench, slide your rail on and tighten the rail screws. Within minutes you have a modular, free-floated rail. FEATURES: M4 Feedramps .250 takedown pin holes Lazer engraved T-marks Comes assembled, with dust cover and forward assist installed M4E1 SPECIFIC DETAILS: Handguard mounting platform is forged into the receiver Compatible with Aero Precision Enhanced and Quantum Series handguards but also fits most BAR-system handguards Barrel nut and wrench are included These uppers are not piston-kit compatible Will support barrels with a diameter up to 1" INCLUDES: AR15 M4E1 Upper Receiver in Anodized Black, Olive Drab Green or Kodiak Brown Port Door and Forward Assist installed Barrel nut Barrel nut wrench SPECS Platform: AR15 Material: Machined from 7075-T6 forged aluminum Anodized Black Compatibility: Works with standard AR15/M16 components Weight(s): 12.4 oz Other: Barrel Nut Torque - 55 ft-lbs

Safety Instruction Guide for M4E1 Enhanced 5.56 NATO Assembled Upper Receiver for AR15

Introduction

Thank you for choosing the M4E1 Enhanced 5.56 NATO Assembled Upper Receiver for AR15 by Aero Precision. This guide provides essential safety information, installation instructions, and usage guidelines to ensure the safe and effective use of your upper receiver. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the M4E1 upper receiver by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for remedies.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact point associated with this product.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation can lead to malfunctions or accidents.
 - Ensure that all components are compatible and properly secured.
 - Always handle firearms with care and follow safe handling practices.
- **Avoiding Hazards:**
 - Always verify that the firearm is unloaded before installation or maintenance.
 - Use appropriate tools and follow the installation instructions carefully.
 - Avoid modifications that are not recommended by the manufacturer.
- **Audience Specific Warnings:**
 - This product is intended for use by individuals who are familiar with firearms and their operation.
 - Ensure that only trained individuals handle and install this upper receiver.

Instructions for Installation and Usage

- **Installation:**
 1. **Preparation:** Ensure you have the following tools ready: barrel nut wrench and appropriate screws.
 2. **Insert Barrel Assembly:** Place your barrel assembly into the M4E1 upper receiver.
 3. **Tighten Barrel Nut:** Use the provided barrel nut and wrench to tighten the assembly securely.
 4. **Install Handguard:** Slide your rail onto the upper receiver and tighten the rail screws.
 5. **Check Installation:** Ensure that all components are secure and properly aligned.

- **Usage:**

- Always perform a safety check before firing.
- Follow the manufacturer's guidelines for maintenance and care of your upper receiver.
- Store your firearm in a secure location when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the product in regular household waste. Contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the M4E1 Enhanced 5.56 NATO Assembled Upper Receiver for AR15, please refer to your local Aero Precision representative or the authorized seller from whom you purchased the product.

By following these guidelines, you can ensure a safe and enjoyable experience with your M4E1 Enhanced 5.56 NATO Assembled Upper Receiver for AR15. Safety is paramount, and adherence to these instructions will help maintain the integrity of the product and ensure safe operation. Thank you for your attention to these important safety measures.
