

GEN-2 ENHANCED FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION GEN-2 ENHANCED 12.7" M-LOK HANDGRD FREE FLOAT FOR AR-15 BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Aeros' Enhanced M-LOK (EM) Handguards provide a lightweight free float design for your custom AR15 build. The M-LOK system allows advanced modularity past the current 1913 picatinny rail system. Machined to mil-spec dimensions and engineered to perfection, this handguard eliminates bulk while retaining strength and stability. FEATURES: 1pc free float design Built in anti-rotation tabs Scalloped rails Continuous top rail 1.78" inside diameter fits most muzzle devices and 1.5" suppressors Compatible with low profile gas blocks GEN-2 FEATURES Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Additional milling along flats to aid with gripping and add visual appeal New profile for the continuous picatinny top rail PLEASE NOTE: This handguard is specific to the AR15/M4E1 platform. It is not compatible with the M5 .308/M5E1 platform.

Safety Instruction Guide for GEN2 Enhanced Free Floating Handguards for AR15

Introduction

Thank you for choosing the GEN2 Enhanced Free Floating Handguards for AR15. This guide provides essential safety instructions and information to ensure safe use and maintenance of your handguard. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the AR15 platform and its components before handling the handguard.
- Always follow local laws and regulations regarding the use of firearms and accessories.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage before each use.
- If you experience any issues with the handguard, cease use immediately and contact a qualified professional for assistance.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specified limits for the handguard, including weight limits for attachments.
- Ensure that all attachments are securely fastened to prevent accidents during use.
- Avoid using the handguard with incompatible components, as this may lead to malfunction or injury.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using your firearm equipped with this handguard.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Gather all necessary tools and components required for installation.

2. Installation Steps

- Remove the existing handguard from your AR15 by following the manufacturer's instructions.
- Align the GEN2 Enhanced Handguard with the upper receiver of the AR15.
- Secure the handguard using the provided mounting hardware, ensuring that it is tightened to the manufacturer's specifications.
- Check for proper alignment and stability once the handguard is installed.

3. Usage Instructions

- Familiarize yourself with the features of the handguard, including the MLOK system for attaching accessories.
- Regularly check the handguard during use to ensure that all components remain secure.
- Clean the handguard regularly to maintain its performance and appearance. Use a soft cloth and mild cleaning solution, avoiding harsh chemicals.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations regarding the disposal of firearm accessories.
- If the handguard is damaged or no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the GEN2 Enhanced Free Floating Handguards for AR15, please refer to the manufacturer's contact resources for assistance.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the GEN2 handguard!
