

EXTREME DUTY GUN OIL - LUCAS OIL PRODUCTS 8 OZ. GUN OIL 12/PACK

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Used and recommended by major firearms manufacturers, Lucas Extreme Duty Gun Oil is specially formulated for high volume, high heat and friction firearms and was designed for full auto firearms, SBRs and suppressors as well as semi-auto rifles, shotguns and pistols. It offers superior burn-off, shock and heat resistance, unlike any other multi-purpose gun oil. A unique additive keeps the oil from running and migrating while the polymeric film protects from rust, wear and moisture and resists carbon, lead and copper fouling and dramatically reduces wear during all shooting conditions. Applying Lucas Extreme Duty Gun Oil to bores, bolt carriers and gas pistons makes clean-up of powder residue, copper and carbon fouling a much easier task. Apply a light coat to suppressor baffles, mounts, muzzle breaks and flash hiders to resist carbon build up and to make cleaning quicker and easier. It neutralizes acids from fingerprints and resists drying for long term storage use. Developed for demanding lubrication during hard use. Extreme working temperature range of -38°F to 400°F. Great for ultra-sonic cleaner use for small or bulk parts lubrication. Superior blow back resistance, keeping oil out of your face and off your glasses.

Safety Instructions for EXTREME DUTY GUN OIL

Introduction

Thank you for choosing Lucas Extreme Duty Gun Oil. This product is designed to provide superior lubrication and protection for your firearms. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not covered by other EU laws.
- Always check for recall updates on the EU's Safety Gate platform.
- If you encounter any unsafe products or accidents, report them to the appropriate authorities.
- This product is not intended for use by children. Keep out of reach of children and vulnerable groups.

Specific Safety Precautions for Use

- Always wear protective eyewear when applying gun oil to prevent splashes.
- Avoid contact with skin. In case of skin contact, wash with soap and water.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Use in a wellventilated area to avoid inhalation of vapors.
- Do not apply to hot surfaces or near open flames.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Ensure that the cap is tightly closed when not in use to prevent leaks.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the area where you will be applying the oil to prevent contamination.

2. Application:

- Shake the bottle gently before use.
- Apply a light coat of Lucas Extreme Duty Gun Oil to the following areas:
 - Bores
 - Bolt carriers
 - Gas pistons
 - Suppressor baffles
 - Muzzle breaks
 - Flash hiders
- Allow the oil to penetrate for a few minutes before using the firearm.

3. Cleaning:

- After use, clean the firearm according to the manufacturer's instructions.
- Use a suitable solvent to remove any excess oil and fouling.

4. Storage:

- Store the product in its original container with the lid tightly closed.
- Keep out of reach of children and pets.

Disposal Instructions

- Dispose of any unused product in accordance with local regulations.
- Do not pour the product down the drain or onto the ground.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of Lucas Extreme Duty Gun Oil, please contact the manufacturer or refer to the product packaging for additional resources.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Always use caution and follow these guidelines for the best experience with Lucas Extreme Duty Gun Oil.
