# Safety Instruction Guide for Lucas Fishing Reel Oil

## Introduction

Thank you for choosing Lucas Fishing Reel Oil. This product is designed to lubricate and protect all moving parts of your fishing reels, ensuring optimal performance in both fresh and saltwater conditions. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always keep the product out of reach of children and pets.
- Use the product only for its intended purpose as described in this guide.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of used oil and containers in accordance with local regulations.

## Specific Safety Precautions for Use

- Before using Lucas Fishing Reel Oil, ensure that the reel is clean and free of debris.
- Use the onedrop precision needle applicator to apply the oil only to the required areas to prevent overlubrication.
- Avoid applying oil near the line or any other parts that may be affected by excessive lubrication.
- Do not use the product if the container is damaged or leaking.
- If you experience any adverse reactions while using the product, discontinue use immediately and consult a medical professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your fishing reel is clean and dry before applying the oil.
- Shake the bottle gently to mix the oil and additives.

### 2. Application:

- Remove the cap from the needle applicator.
- Position the needle tip at the desired lubrication point on the reel.
- Gently squeeze the bottle to dispense one drop of oil.
- Repeat as necessary for other moving parts, ensuring not to overapply.

### 3. PostApplication:

- Wipe away any excess oil with a clean cloth.
- Allow the oil to penetrate for a few minutes before using the reel.
- Store the bottle securely with the cap tightly closed after use.

## Disposal Instructions

- Dispose of any unused or expired Lucas Fishing Reel Oil in accordance with local waste disposal regulations.
- Do not dispose of the product in drains, soil, or water bodies.

- Recycle the container if possible, following local recycling guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the use of Lucas Fishing Reel Oil, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

**Important Note:** This safety instruction guide is in compliance with the EU General Product Safety Regulation (GPSR). It is designed to ensure your safety and the safe use of Lucas Fishing Reel Oil. Always stay informed about product recalls and safety alerts through official channels.
