

308 AR M5 UPPER RECEIVER - AERO PRECISION M5 (.308) ASSEMBLED UPPER RECEIVER THREADED BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Forged from 7075-T6 aluminum, the Aero Precision M5 308 Upper Receiver is a great platform for a big-bore AR build. Precision machined to Aero Precision's specifications, the upper features M4 feedramps and a matte black hard coat anodized Mil 8625 Type 3 Class 2 finish. DPMS pattern takedown holes (.2795") allows for compatibility with a wide range of lower receivers. Receiver is compatible with standard DPMS pattern 308 components, including lowers, bolt carriers, charging handles and barrels. Comes with forward assist and ejection port cover installed. Works with DPMS high profile handguards.

Safety Instruction Guide for Aero Precision M5 .308 Assembled Upper Receiver

Introduction

Thank you for choosing the Aero Precision M5 .308 Assembled Upper Receiver. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that your upper receiver is used in accordance with all safety regulations. This product is designed for use with compatible DPMS pattern components only.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** When purchasing online, verify that the seller complies with safety standards. Always check for safety certifications.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored securely and out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the upper receiver is only used with standard DPMS pattern .308 components.
- **Inspection:** Before each use, inspect the upper receiver for any signs of damage or wear. Do not use if damaged.
- **Handling:** Always handle the upper receiver with care. Ensure it is unloaded before handling.
- **Shooting Environment:** Use the upper receiver in a controlled and safe environment. Follow all local laws and regulations regarding firearms.
- **Personal Protection:** Always wear appropriate safety gear, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is completely unloaded before starting the installation.
- Align the upper receiver with the lower receiver, ensuring that the takedown holes are properly aligned.
- Insert the takedown pins securely to connect the upper and lower receivers.
- Verify that the upper receiver is properly seated and locked in place.
- Install the forward assist and ejection port cover if not already installed.

2. Usage:

- Load the firearm with compatible .308 ammunition only.
- Ensure the firearm is pointed in a safe direction before loading.
- Follow standard firearm safety practices during operation.
- After use, ensure the firearm is unloaded and stored safely.

Disposal Instructions

- **Disposal of Product:** When disposing of the upper receiver, follow local regulations regarding the disposal of firearms and firearm components.
- **Recycling:** If possible, recycle metal components in accordance with local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Aero Precision M5 .308 Assembled Upper Receiver, please refer to the retailer or manufacturer's support channels. Always ensure that you are following the most up-to-date safety guidelines and regulations.

By adhering to the safety instructions outlined in this guide, you can help ensure a safe and enjoyable experience with your Aero Precision M5 .308 Assembled Upper Receiver. Thank you for your attention to safety.
