

EXTREME DUTY GUN OIL - LUCAS OIL PRODUCTS 1 OZ. GUN OIL

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Used and recommended by major firearms manufacturers, Lucas Extreme Duty Gun Oil is specially formulated for high volume, high heat and friction firearms and was designed for full auto firearms, SBRs and suppressors as well as semi-auto rifles, shotguns and pistols. It offers superior burn-off, shock and heat resistance, unlike any other multi-purpose gun oil. A unique additive keeps the oil from running and migrating while the polymeric film protects from rust, wear and moisture and resists carbon, lead and copper fouling and dramatically reduces wear during all shooting conditions. Applying Lucas Extreme Duty Gun Oil to bores, bolt carriers and gas pistons makes clean-up of powder residue, copper and carbon fouling a much easier task. Apply a light coat to suppressor baffles, mounts, muzzle breaks and flash hiders to resist carbon build up and to make cleaning quicker and easier. It neutralizes acids from fingerprints and resists drying for long term storage use. Developed for demanding lubrication during hard use. Extreme working temperature range of -38°F to 400°F. Great for ultra-sonic cleaner use for small or bulk parts lubrication. Superior blow back resistance, keeping oil out of your face and off your glasses.

Attributes

- Name: [LUCAS OIL PRODUCTS 1 OZ. GUN OIL](#)
- Manufacturer: [LUCAS OIL PRODUCTS](#)
- Product no.: 100016021
- Mfr. No.: 10875
- Size: 1 oz
- Delivery weight: 0.045kg
- Shipping height: 38mm
- Shipping width: 38mm
- Shipping length: 127mm

Safety Instruction Guide for EXTREME DUTY GUN OIL

Introduction

Thank you for choosing Lucas Extreme Duty Gun Oil. This guide provides important safety instructions to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Always use Lucas Extreme Duty Gun Oil in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and pets to prevent accidental ingestion or contact.
- Ensure proper ventilation when using the product to avoid inhalation of fumes.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Do not mix with other chemicals or products unless specified by the manufacturer.
- In case of skin contact, wash thoroughly with soap and water. If irritation persists, seek medical attention.
- Avoid contact with eyes. If contact occurs, rinse immediately with plenty of water and seek medical attention if irritation persists.
- If ingested, do not induce vomiting. Seek medical attention immediately.

Specific Safety Precautions for Use

- Use only in wellventilated areas to minimize inhalation risks.
- Wear protective gloves and eyewear if you are sensitive to skin or eye contact.
- Do not use on hot surfaces or near open flames.
- Ensure that the firearm is unloaded and pointed in a safe direction before applying the oil.
- Apply a light coat to the surfaces as recommended. Excess oil can attract dirt and debris.
- Do not apply to surfaces that are not intended for lubrication.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and safe to work on.
- Clean the surfaces to be lubricated to remove any dirt, dust, or old lubricants.

2. Application:

- Shake the bottle gently before use to mix the contents.
- Apply a small amount of Lucas Extreme Duty Gun Oil to a clean cloth or directly onto the desired surface (bore, bolt carrier, gas piston, suppressor baffles, etc.).
- Wipe off any excess oil to prevent buildup.

3. PostApplication:

- Allow the oil to settle and form a protective film.
- Store any remaining oil in its original container, tightly sealed, and in a safe location.

Disposal Instructions

- Dispose of any unused or expired product in accordance with local regulations.
- Do not pour down drains or dispose of in regular household waste.
- Contact your local waste disposal authority for guidance on hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or additional information regarding Lucas Extreme Duty Gun Oil, please refer to the manufacturer's website or contact their customer service.

By following these safety instructions, you can ensure the safe and effective use of Lucas Extreme Duty Gun Oil. Always prioritize safety and stay informed about product recalls and safety alerts through the EU's Safety Gate platform.
