LEADOFF WIPES Safety Instruction Guide

Introduction

Thank you for choosing LEADOFF WIPES by Hygenall Corporation. These wipes are designed to effectively remove lead and other toxic heavy metals from skin and surfaces without the use of harsh chemicals. They are safe for all family members, including children, and are made in the USA. This guide provides important safety instructions to ensure the safe use of this product.

General Safety Guidelines

- Always use LEADOFF WIPES as directed on the packaging.
- Keep the wipes out of reach of children when not in use.
- Do not use on broken or irritated skin.
- Ensure proper ventilation when using the wipes in enclosed spaces.
- Avoid contact with eyes. In case of eye contact, rinse immediately with plenty of water and seek medical advice.
- Dispose of used wipes responsibly. Do not flush them down the toilet.

Specific Safety Precautions for Use

- For external use only: LEADOFF WIPES are intended for use on skin and surfaces. Do not ingest.
- If you experience any irritation or allergic reaction, discontinue use immediately and consult a physician.
- Do not use the wipes on food or food contact surfaces.
- Use caution when handling firearms. Always follow firearm safety guidelines in conjunction with using these wipes.

Instructions for Installation and Usage

1. Opening the Package:

- Remove the seal from the package before use.
- Open the lid to access the wipes.

2. Using the Wipes:

- Pull out one wipe from the package.
- Gently wipe the affected area of skin or surface to remove lead, dirt, or germs.
- Ensure that the area is thoroughly cleaned.

3. After Use:

- Dispose of the used wipe in a trash receptacle.
- Close the lid tightly to preserve the remaining wipes.

4. Frequency of Use:

- Use LEADOFF WIPES after handling firearms or when you suspect contamination from lead or heavy metals.
- For general cleaning, use as needed.

Disposal Instructions

- Dispose of used wipes in accordance with local waste disposal regulations.

- Do not incinerate or compost the wipes.
- Ensure that wipes are placed in a sealed trash bag to prevent accidental exposure.

Contact Information for Further Support

For any safety inquiries or further assistance regarding LEADOFF WIPES, please refer to the contact details provided on the packaging. It is important to stay informed about product safety updates and recalls through the EU's Safety Gate platform.

Conclusion

By following these safety instructions, you can ensure the effective and safe use of LEADOFF WIPES. For any concerns or further information, please consult the product packaging or your local safety authority. Thank you for prioritizing safety in your home.
