

# EXTREME DUTY GUN OIL - LUCAS OIL PRODUCTS 1 OZ. GUN OIL 12/PACK

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Used and recommended by major firearms manufacturers, Lucas Extreme Duty Gun Oil is specially formulated for high volume, high heat and friction firearms and was designed for full auto firearms, SBRs and suppressors as well as semi-auto rifles, shotguns and pistols. It offers superior burn-off, shock and heat resistance, unlike any other multi-purpose gun oil. A unique additive keeps the oil from running and migrating while the polymeric film protects from rust, wear and moisture and resists carbon, lead and copper fouling and dramatically reduces wear during all shooting conditions. Applying Lucas Extreme Duty Gun Oil to bores, bolt carriers and gas pistons makes clean-up of powder residue, copper and carbon fouling a much easier task. Apply a light coat to suppressor baffles, mounts, muzzle breaks and flash hiders to resist carbon build up and to make cleaning quicker and easier. It neutralizes acids from fingerprints and resists drying for long term storage use. Developed for demanding lubrication during hard use. Extreme working temperature range of -38°F to 400°F. Great for ultra-sonic cleaner use for small or bulk parts lubrication. Superior blow back resistance, keeping oil out of your face and off your glasses.

# Safety Instruction Guide for EXTREME DUTY GUN OIL

## Introduction

Thank you for choosing Lucas Extreme Duty Gun Oil. This product is specially formulated to provide superior lubrication and protection for firearms under demanding conditions. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and pets to prevent accidental ingestion or misuse.
- Use the product only for its intended purpose; do not use it on food items or surfaces that may contact food.
- In case of accidental contact with eyes or skin, rinse immediately with plenty of water and seek medical attention if irritation persists.
- Do not ingest the product. If swallowed, seek medical help immediately and show the product container or label.
- Dispose of the product responsibly, following local regulations for hazardous materials.

## Specific Safety Precautions for Use

- Ensure proper ventilation when applying the oil to avoid inhaling fumes.
- Avoid using the product near open flames or sparks, as it is flammable.
- Do not mix with other chemicals or products unless specified by the manufacturer.
- Use gloves when handling the oil to prevent skin contact and potential irritation.
- Apply only a light coat to surfaces to prevent excess buildup, which can attract dirt and debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction before applying the oil.
- Clean the firearm to remove any existing dirt or residue.

### 2. Application:

- Shake the bottle gently before use.
- Apply a small amount of Lucas Extreme Duty Gun Oil to a clean cloth or directly to the desired surface (e.g., bores, bolt carriers, gas pistons).
- For suppressor baffles, mounts, muzzle brakes, and flash hiders, apply a light coat to resist carbon buildup.
- Allow the oil to penetrate for a few minutes before using the firearm.

### 3. After Use:

- Wipe off any excess oil to prevent accumulation.
- Store the firearm in a safe and secure location.

## **Disposal Instructions**

- Dispose of any unused or expired product according to local regulations for hazardous waste.
- Do not pour the oil down drains or dispose of it in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding this product, please refer to the contact details provided on the product packaging or visit the official Lucas Oil Products website.

By following these guidelines, you can ensure the safe and effective use of Lucas Extreme Duty Gun Oil while protecting your firearm and yourself. Thank you for your attention to safety.
