

# M-LOK OFFSET LIGHT MOUNT - MAGPUL M-LOK OFFSET LIGHT MOUNT BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Accessory Mounts](#)

The M-LOK Offset Light Mount, Polymer provides the user with an ambidextrous platform to mount weapons lights at both the 11 and 1 o'clock positions on M-LOK compatible hand guards and forends. This mounting solution is constructed of polymer and has beveled ends and corners to prevent snagging. The Offset Light Mount allows for the direct attachment of the Surfice M300/600 Series Scout Light or other MIL-STD-1913 Picatinny mounts. The optional Magpul Light Mount V-Block and Rings can also be used to attach hand held lights with a diameter from .75" to 1.03".

# MLOK Offset Light Mount Safety Instructions

## Introduction

Thank you for choosing the MLOK Offset Light Mount by Magpul. This product is designed to provide a secure and versatile mounting solution for weapon lights. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the MLOK Offset Light Mount is compatible with your firearm and accessories.
- Always follow the manufacturer's instructions for installation and use.
- Regularly inspect the light mount for wear or damage before each use.
- Keep the product out of reach of children and unauthorized users.
- Do not modify or alter the light mount in any way.
- Report any accidents or unsafe conditions to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only with compatible weapon lights, such as the Surefire M300/600 Series Scout Light.
- Ensure that the light is securely attached to the mount before use.
- Avoid using the light mount in extreme conditions that could compromise its integrity.
- When mounting or adjusting the light, ensure that the firearm is unloaded and pointed in a safe direction.
- Be aware of your surroundings and ensure that the light is used in a safe manner.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the MLOK slots on your hand guard or forend.
- Align the MLOK Offset Light Mount with the desired slot.
- Use the provided hardware to securely attach the mount to the MLOK slot.
- Tighten the screws until snug, but do not overtighten as this may damage the mount or firearm.

### 2. Usage:

- Attach the weapon light to the mount according to the manufacturer's instructions.
- If using the Magpul Light Mount VBlock and Rings, ensure they are properly fitted for lights with a diameter from .75" to 1.03".
- Test the installation by activating the weapon light to ensure it operates correctly.
- Regularly check the mount and light for tightness and functionality before each use.

## Disposal Instructions

- Dispose of the MLOK Offset Light Mount in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible, or return it to the manufacturer for proper disposal.

## Contact Information for Further Support

For any inquiries regarding the MLOK Offset Light Mount, please refer to the manufacturer's website or customer support resources. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure the safe use of the MLOK Offset Light Mount. Thank you for your attention to these important guidelines.
