Safety Instruction Guide for AIMPOINT MICRO MOUNTS

Introduction

Thank you for purchasing the AIMPOINT MICRO MOUNTS by American Defense Manufacturing. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your mounting hardware. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the mount for any signs of wear or damage.
- Follow all installation instructions closely to avoid hazards.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any issues with the product, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation can lead to the mount loosening during use, which may cause the sight to detach.
- Excessive force during installation may damage the mounting hardware or the sight.

- **Avoiding Hazards:**

- Always use the recommended tools for installation, specifically a Torx® screwdriver.
- Do not exceed the recommended torque specifications for the screws.
- Ensure that the mount is securely fastened before each use.

- **AgeSpecific Warning:**

- This product is not intended for use by children. Ensure that it is handled only by responsible adults.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a Torx® screwdriver and a clean workspace.
- Ensure that the Aimpoint Micro T1/T2 sight is clean and free of debris.

2. Installation Steps:

- Remove the original factory base from the Aimpoint sight.
- Align the AIMPOINT MICRO MOUNTS with the sight, ensuring the mounting holes are lined up.
- Insert the four highstrength steel Torx® screws into the mounting holes.
- Tighten each screw gradually in a crisscross pattern to ensure even pressure.
- Use the recommended torque settings to avoid overtightening.

3. Usage:

- Once installed, check the mount to ensure it is secure.
- Regularly inspect the mount before each use, especially after heavy recoil.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and metal waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries or concerns regarding the AIMPOINT MICRO MOUNTS, please refer to the manufacturer's contact details provided on the packaging or visit the official website for support resources.

By following these safety guidelines and instructions, you can ensure the safe use of your AIMPOINT MICRO MOUNTS. Thank you for choosing our product, and enjoy your shooting experience!
