

# RECON-S NO OFFSET SCOPE MOUNT - AMERICAN DEFENSE MANUFACTURING 35MM 0 MOA SCOPE MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## Rock-Solid Mounts With Quick-Detach System

Quick-release lever-lock system clamps solidly to flattop rail and will not work loose even under heavy recoil—the more force acting on the lever, the tighter it locks. Depress the release tab to swing the lever open, and the mount easily lifts off the rifle. Adjustable with a flat head screwdriver or even a coin for an ultra-secure, no-slip fit on almost any Picatinny or Weaver-style rail, including over- or under-sized commercial rails. Lever may be configured to lock to the front or the rear to suit the operator's preference. Large locking bar on the side of the mount engages the maximum amount of rail area, while the crossbolt and two integral locking lugs ensure rock-solid engagement of rail slots to prevent movement under recoil. Five heavy duty steel hex head screws (three on top, two on bottom) clamp the vertically split ring halves together. Cutouts in the ring sides and in the base reduce weight without sacrificing strength. Quick-Release Scope Mount one-piece base with dual-lever system provides the same solid mounting and fast removal and reattachment.

## Attributes

- Name: [AMERICAN DEFENSE MANUFACTURING 35MM 0 MOA SCOPE MOUNT, BLACK](#)
- Manufacturer: [AMERICAN DEFENSE MANUFACTURING](#)
- Product no.: 100017124
- Mfr. No.: AD-RECON-S-35-STD
- Elevation: 0 MOA
- Finish: Matte Black
- Height: -
- Make: -
- Scope Tube Diameter: 35mm
- Style: Picatinny,Quick Detach
- Delivery weight: 0.288kg
- Shipping height: 57mm
- Shipping width: 89mm

# Safety Instruction Guide for RECONS No Offset Scope Mount

## Introduction

Thank you for choosing the RECONS No Offset Scope Mount by American Defense Manufacturing. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope mount. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure the scope mount is compatible with your firearm and scope before installation.
- Always handle firearms with care and follow standard safety practices.
- Inspect the scope mount for any damage or wear before use.
- Do not exceed the recommended weight limit for the scope mount.
- Keep the scope mount and associated tools out of reach of children.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to scope misalignment or detachment.
- Loose components can result in scope movement during use, affecting accuracy.
- Heavy recoil may cause the mount to loosen if not properly secured.

### • Avoiding Hazards:

- Always ensure the release lever is fully engaged before use.
- Regularly check the tightness of screws and locking mechanisms.
- Use only the recommended tools for adjustments to avoid damage.
- If unsure about installation or use, consult a qualified gunsmith.

### • Age or Audience Specific Warnings:

- This product is intended for use by individuals aged 18 and older.
- Ensure that inexperienced users are supervised when handling firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Clean the mounting area on the flattop rail to remove any debris.
- Align the scope mount on the rail, ensuring it fits securely.
- Use a flat head screwdriver or coin to tighten the screws until secure.
- Adjust the lever to lock in place according to your preference (front or rear).
- Verify the mount is stable and does not move when pressure is applied.

### 2. Usage:

- Before each use, check the tightness of the screws and the locking mechanism.
- When removing the mount, depress the release tab and swing the lever open.

- Store the scope mount in a dry place when not in use to prevent corrosion.
- Follow all firearm safety protocols during shooting activities.

## **Disposal Instructions**

- Dispose of the scope mount in accordance with local regulations.
- Do not dispose of the mount in regular household waste.
- If the product is damaged or no longer usable, consider recycling metal components where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please reach out to the designated contact point in your region.

By following these guidelines, you can ensure the safe and effective use of your RECONS No Offset Scope Mount. Thank you for your attention to safety and responsible firearm handling.
